

Clean-Up Drive Promoted for Polio Prevention

City Secretary Dudley Bayne announced early this week that a city clean-up drive was to start as soon as the weather permitted. It's a clean-up campaign designed to hold the line against polio. The main target of the drive is to get alleys and vacant lots thoroughly cleaned up.

The public is asked to cooperate in the clean-up campaign. All trash and refuse gathered from alleys and vacant lots should, if at all possible, be placed in some kind of container in an alley. This will make the clean-up drive more efficient and also help draw it to a speedy close.

Many columns, editorials and articles are appearing at this time, and will continue to appear for some months, on polio prevention. City officials urge everyone to cooperate during this clean-up campaign in order to reduce the chances of a polio epidemic here. Additional men and equipment have been hired by the city so that the drive will be more efficient.

The campaign was ready to roll early this week. The only thing that prevented it from starting was the wet weather and no one objected to that because the rains were badly needed.

Republicans To Meet at 7:30 For Convention

A. L. Tarlton, county chairman, states that the Republicans of Randall county will meet in precinct conventions at 7:30 o'clock. The county convention will meet at 7:30 o'clock on Tuesday, May 6.

Mr. Tarlton states that he has no idea as to how many Republicans there are in Randall county, or how they will cast their vote for one delegate to the State Convention. Personally he favors Senator Robert Taft, but is not trying to influence any of the voters.

Final Rites for M. E. Cleavinger Given Thursday

Final rites for Moses E. Cleavinger were conducted at the First Presbyterian Church Thursday afternoon at 2:30 o'clock. Officiating ministers were Rev. T. W. Wilbanks, assisted by Rev. J. R. Sharp and Rev. Herschel Thurston.

Pall bearers were J. W. Shook, Silas Hart, K. E. Frieze, Guy Harp, Lee Foster and Burney Slack. Mr. Cleavinger had been a Canyon resident since 1928. He came here from Lamb County, where he had been in business from 1909 to 1928.

Mr. Cleavinger was born in Leavenworth County, Kansas, March 2, 1871. In 1895 he married Ellen Hall. He is survived by six children, 19 grandchildren and five great grandchildren.

Burial in Dreamland Cemetery was under the direction of Griggs-Warren Funeral Home.

County Attorney Goes to Dallas For Conference

Keeping up with the latest trends and events in connection with the practice of law and its enforcement is one of the duties of the County Attorney. This was explained by County Attorney D. E. (Gene) McGlasson, Jr., Monday afternoon.

McGlasson explained that he had spent a couple of days in Dallas last week on business. The business at hand was the Attorney General's Conference.

The county attorney and his wife left Canyon Wednesday for the conference. The conference kept them in Dallas Wednesday and Thursday nights. The couple returned to Canyon Friday.

Stolen Saddle Located Quickly

Recently a young high school boy was apprehended as the person who took a saddle from the place of Roy Byrd. According to the report of Sheriff M. E. Cantrell, the saddle was reported stolen April 16.

In the following investigation the saddle was found in an Amarillo saddle shop. Apprehension of the saddle came the day after it was reported stolen. The saddle had been bought for \$50 and a check given to the youth who sold it.

The following day, April 18, the youth was picked up. The case is to be turned over to the grand jury and sheriff's authorities said that the charge sought would be theft over \$50.

The very best in vegetable and strawberry plants. Stevens Floral.

Lon Davis of Floydada was a business caller in Canyon Friday.

Number 2

Wheat Chances Are About 50% Normal

Unless more rain falls over a greater part of the county there will be only about 50% of the seeded acreage worth cutting.

This opinion was expressed Monday by a group of wheat farmers. There are 200,000 acres of wheat seeded this year. The largest acreage seeded to wheat in Randall county was 240,000 acres and the lowest was 166,000 acres.

It is reported that patches of wheat were killed by the freeze just before Easter. These wheat farmers say that the freeze had nothing to do with this wheat, but is due to some kind of bugs working on the crop.

The west part of the county has a good chance for wheat because of the large amount of rain which fell during this week. The Southeast section of the county does not have normal conditions. The present moisture extends only about six inches deep, while the deep moisture is down to two or three feet.

The presence of bugs is due to fertilizing the land. Bugs work in the wheat on this fertilized land.

Many farmers will resort to the rotary hoe to kill the weed crop as soon as these pests show up. Spraying by plane is planned by many wheat raisers.

The wheat crop must be lost about three times in an average year in the Panhandle, therefore experienced wheat farmers are not too excited about the lack of moisture at the present time.

Lions Show Will Help Charitable And Civic Causes

One of the big events coming up for Canyon next week is the Lions Club Annual Minstrel Show. Charlie Donnell is to be the interlocutor for this particular show. There will be two performances, Monday night at West Texas State College Auditorium and Tuesday night at Canyon High School Auditorium.

Lions Club officials who are promoting the minstrel encourage parents to bring their children along. There is no need to hire a baby sitter when the children will enjoy the production too, say the officials. Children who are not of school age will be admitted free.

The show is an annual affair with all proceeds going to charitable causes in the community. One of the civic benefits to receive financial assistance from the annual Lions Show is the maintaining of equipment to test children's eyes for glasses.

The show is scheduled to start at 8 o'clock in the evening and run continuously for approximately an hour and a half. There will be no intermission and no other merchandise will be sold except the ticket of admission.

Cancer Drive Gets Underway in City During This Week

The call is out for help to fight cancer.

Mrs. Charles Joyner has been appointed County Chairman of the Cancer Drive. Walter Winchell is credited for having raised more money to fight cancer than any one person.

The American Cancer Society is doing a great work throughout the nation. When one hospital discovers a method of relief for cancer victims, this information is immediately relayed to all other groups which are recognized as centers to fight the disease.

The Cancer Drive is made once each spring. Students of West Texas State are assisting in the drive and will call upon citizens who are on the square Saturday afternoon, seeking funds to fight cancer.

Gathering boxes will be established at various places around the square and all citizens are urged to drop their change into these boxes for the relief of cancer victims.

Stork Specials

Mr. and Mrs. R. B. Jones of Childress are the parents of a daughter born Saturday, April 19. She has been named Roxanne. Mrs. Jones will be remembered as Ava Jo Moreman.

ENTERTAINS HEREFORD CLUB

Miss Sarah Thompson spent Friday afternoon in Hereford as guest of the Garden Club. Miss Thompson took the West Texas Elementary school's collection of mounted birds and the film "Five Colorful Birds" from the WTSC film library to share with the club.

Marion Higdon Is Named as Asst. Postmaster

The postal inspector of this area was here Thursday and recommended Marion Higdon as Assistant Postmaster to succeed D. M. Foster, who resigned on January 1 to become carrier of Route 2.

Mr. Higdon has closed 16 years of service with the department. He was endorsed for promotion by many business men who have had a considerable amount of dealings with the office. After the retirement of Foster, Mr. Higdon was given a number of duties of the Assistant in order that he would understand all of the functions of the office to which he was recommended. His advancement will come by May 1st.

Large Crowd at Shamrock Station Opening Saturday

A large crowd attended the opening of the Shamrock Service Station No. 2 on Highway 60, north of Canyon, Saturday.

In the drawing for prizes which were offered in The Canyon News last week, the following names were drawn as prize winners by Roy Cheatham, Hosea Foster and Clyde Warwick:

Ladies' Prizes:
Mixer, Mrs. L. E. Gum.
Roaster, Mrs. Dale Preston, Vigo Park.
Coffee-maker, Mrs. W. E. Sheets.
Men's Prizes:
Hat, F. Ralph Marsh.
Razor, A. R. Burgess.
Ice Box, Bill Admire, Muleshoe.
Children's Prizes:
Bicycle, Doyle Culwell, Wayside.
Scottish Shamrock pup, Melody Ann Miller, Amarillo.

Mr. and Mrs. G. W. Cox returned Friday night from having spent two weeks on the Pamico River near Tampico, Mexico, fishing and visiting with friends. Mr. Cox landed a tarpon that measured 6 feet in length.

Mrs. Zula Usery and daughter, Peggy Moore, visited in the home of their daughter and sister in Wichita Falls over the Easter holidays. They attended the Easter services in Lawton, Oklahoma.

W. R. Simon and son, Charles, of Levelland and Mr. and Mrs. John Broadus of Wildorado were dinner guests in the home of Mrs. Mary Simon Sunday.

Mrs. T. E. Beard spent the Easter holidays in the home of her mother Mrs. J. B. Eubank of Putnam.

Mrs. Tate Walker of Amarillo visited with Mrs. Lon Fanning last week.

Precinct Conventions Will Be Held in County on Saturday, May 3rd

Dates of the Precinct Democratic Conventions and the county Democratic Convention were announced this week by Newton Crain, County Chairman.

The Precinct conventions will be held in each of the nine voting precincts of the county on Saturday, May 3, at 2:30 p. m. when delegates to the county convention will be elected. The county convention will be held Tuesday, May 6, with only official delegates from the precincts participating.

In view of the renewed interest in politics, from the grass-roots level on up, it is expected that for the first time in recent years, there will be an active interest in the precinct meetings, which are open to any member of the Democratic party.

Each Precinct Convention can elect as many delegates as it desires to the county convention. The number of votes that the precinct has is not determined by the number of delegates elected.

Each precinct is allowed one vote in the county convention for each 25 votes, or major fraction thereof, which were cast in that particular precinct for the party's candidate for governor in the last general election. Each precinct has a minimum of one vote in the county convention regardless of the number of party votes cast in the last general election.

A very heavy vote was cast in the 1950 election in Randall county because of the heated interest in

New Church To Be Completed by End of October

Church of Christ Minister Joe Watson announced early this week the estimated opening date of the new church as October 1. The \$90,000 structure is being erected at 4th Avenue and 21st Street of light color faced brick. The building will front on two sides. There will be a south and an east front accommodating the congregation.

Floor space of the new structure will be 11,850 square feet. Within this space will be incorporated everything a modern church needs to carry on its services. There will be a nursery, ladies lounge, plenty of work rooms, rest rooms, dressing rooms and office space. The auditorium of the building will seat between 550 and 600 people.

Outside there will be 14,000 square feet of off-street parking space. This space will be on 4th Avenue and on 20th Street. The classroom area of the new building will be two stories high.

Church officials at present are: C. N. Plaster, G. W. Cox, Carl W. Smith, R. H. Jennings and Roy Devin. These men are the elders of the church.

Deacons are E. A. Brown, Ed Bourn and Wayne McNeill. In addition to these eight men there are six others on the present building committee.

District Meeting of P-TA To Come to End Today Noon

More than 400 delegates have been attending the P-TA Conference on Tuesday and Wednesday in Canyon.

The conference started Monday night with a pre-conference dinner in the blue room of the cafeteria. Mrs. James P. Cornette presided and introduced the program.

Mrs. H. G. Stinnett, state president, gave an impressive talk on the work of the organization and the challenge which was offered by present local, state-wide and national conditions.

The conference opened Tuesday morning in the Baptist Church. An impressive program was carried out during the day. Group meetings were held on various subjects before the afternoon trip to the Palo Duro State Park.

Mrs. E. T. Pittard of Anson spoke last night before a large group of delegates and local citizens.

Approximately 300 teachers and P-TA officials attended the conference which closes today.

John D. Barton Suffers Attack

John D. Barton of Amarillo, father of Mrs. E. R. Cleavinger, suffered a heart attack Wednesday evening, April 16. His condition is believed not to be serious.

Pansies, Delphinium, Columbine, Verbena and many other plants should go out. Stevens Floral.

Dollar Day Will Be Held in City Friday, May 2

Another Dollar Day is coming up on Friday, May 2.

The Community Dollar Day has become a real institution in Canyon, with buyers looking forward to this monthly event.

All business men should get their special prices ready for Dollar Day in next issue of The Canyon News.

City Worker Is Hit by Lightning

Claiborne Rice, a city employee in the water department, was hospitalized last week after being struck by lightning. Rice, who was discharged from the hospital Saturday morning, was working on one of the city wells when hit by the lightning bolt.

Dudley Bayne, city secretary, said the accident occurred about 9 o'clock Wednesday night. Rice was working on the City's west well, the one on Tony Hartman's place.

Rice has been a city employee more than a year. Dudley Bayne explained that Rice had been working steadily for the city during the past year. For a period of time before working full time Rice was employed by the city on a part time basis. The accident which placed him in Neblett Hospital for two days, occurred during the electrical storm that blew in last Wednesday evening.

Heart Attack Is Fatal to Samuel Thomas Thompson

The rain storm and over-exertion were believed to be the causes of the attack which brought death to Samuel Thomas Thompson Monday afternoon. Thompson and his brother were at a farm west of town when the fatal attack occurred.

According to the report, the two men had left their car on the highway and had walked out into the fields. When the rain started the two men began making their way back to the car. B. C. Thompson of Amarillo was ahead of his brother and when he looked back he saw his brother lying down. He returned to him in order to give what aid he could.

Later a pick-up truck was hailed and Thompson was brought to Canyon. At Neblett Hospital he was pronounced dead on arrival. He had been subject to heart attacks and it is believed that the over-exertion of wading through the muddy field brought on the fatal attack.

BIRTHS
Mr. and Mrs. Conrad Martinez are the parents of a son, born April 20.

SISTER DIES

Mrs. P. M. Wilson returned Monday night from Portland, Oregon, where she had been called because of the illness and death of her sister, Mrs. Jessie J. Wilson. On her return journey home she stopped in Denver, Colo., and spent the week end in the home of her son and daughter-in-law, Mr. and Mrs. Johnny Wilson.

Mr. and Mrs. George Howard and son of Shamrock spent Saturday night and Sunday in the home of her parents, Mr. and Mrs. Silas Hart.

Major and Mrs. Fred Hart of Wright-Patterson Air Force Base, Dayton, Ohio, spent the week end in the home of his parents, Mr. and Mrs. Silas Hart.

Mrs. W. S. Myers spent last week end in Lubbock visiting in the Alvah Doak, W. C. Myers and Bud Myers homes.

Mrs. J. D. Price of Plainview and Mrs. Bob Combee of Amarillo spent Monday night with their mother, Mrs. W. S. Myers.

Miss Sylvia Key spent the Easter holidays in Lubbock visiting her cousins, Misses Carolyn Key and Alice McElwee.

2.19 Inches of Rain Falls During Week

Canyon has received 2.19 inches of rain during the past week, with light showers falling almost daily since Wednesday night. The final rain fell Monday evening, when the wind turned to the north dropping the temperature to 39 degrees.

The rains as measured locally were as follows:

Wednesday night, .47 inch.
Thursday morning, .03 inch.
Thursday night, .19 inch.
Friday night, .35 inch.
Saturday night, .14 inch.
Sunday morning, .25 inch.
Sunday night, .08 inch.
Monday morning, .18 inch.
Monday afternoon in two showers, .40 inch.

The total moisture received this week, plus the amount previously measured in April amounts to 2.37 inches. Moisture received since the first of January is now 3.66 inches, with 1.29 inches falling during January, February and March.

G. A. Dietz states that Canyon has received much more rain than he received at his farm in the Southwest part of the county. The Southeast section of the county is likewise short on moisture, according to R. B. Gist.

The moisture will add greatly to the possibilities of a wheat crop this year, although experienced wheat growers say that "one rain does not make a crop."

Junior Livestock Association Meets Tomorrow Evening

An important meeting for all members of the Randall County Junior Livestock Association is scheduled at the Canyon High School building Thursday night, April 24, at 8 o'clock. Harley Burrus, president, urges all members, 4-H and FFA boys and friends of the association to be present.

The meeting is being called so the members may have a voice on several items of business that will be discussed. Topics for discussion will be plans for the 1953 show, new building plans, the commercial steer feeding program, and sales plans for commercial steers, changes in show rules and regulations, membership, and a report of financial condition.

President Burrus is extending a special invitation to all boys that participate or plan to participate in the association activities. He would like for each boy to bring his dad to the meeting. There will be several points of discussion that will be most important in making future plans of association activities.

Precinct Convention Topic of Study at District T. F. W. C.

Mrs. T. B. McCarter and Miss Darthula Walker represented the Woman's Book Club at the annual convention of the Seventh District, Texas Federation of Women's Clubs at Borger on April 17 and 18.

Also attending from Canyon were three District Board members, Mrs. J. A. Hill, Mrs. T. V. Reeves and Mrs. Lee Foster. Mrs. Hill is a former district president. Mrs. Reeves was program chairman for nine years and Mrs. Foster was assistant organizer for the meeting and also served on the Life Membership Committee.

Ben Guill, a graduate of West Texas State College, was a featured speaker at the meeting with "How to be Influential in Politics" as his subject. A typical precinct convention was given by voters who had been coached by former Congressman Guill.

Palo Duro Dress Shop Puts on Surplus Stock Sale

A sale of surplus stock starts today at the Palo Duro Dress Shop. Over \$40,000 in merchandise is offered for sale at this time.

Two places of business in Canyon are opened for this sale: At the regular store room in the east part of Canyon; and on the east side of the square. The regular store is too small to adequately display the stock, and therefore a large part of the stock was brought down town to temporary quarters.

When the sale is over, the unsold stock will be removed to the regular location which adjoins the campus.

Wayne Bagley To Run for Office of County Attorney

Wayne Bagley was home over the week end from Baylor University where he is finishing his work as senior in the College of Law. Mrs. Bagley came with him, as well as their 3-year-old daughter.

He will be a candidate for County Attorney of Randall county in the July primary and left his announcement to be run in the next issue of The News.

Candidates Have 12 Days

Candidates for public office in Texas have just 12 more days to make up their minds about running for office this year.

The final date for filing this year is May 5. This date was shoved up about 45 days for local candidates from previous years. For State and District candidates it is about the same as previously.

The fact that early filing is compulsory is due to the demand of the voters for more time to look over the candidates and see what the voters think of their qualifications.

County Chairman Newton Crain states that a number of Randall county candidates have already filed for places on the official ballots. Unless there is a great increase in the number of candidates, the cost of holding the election in Randall county this year will be higher than usual.

Naturally the candidates who are running without opposition are delighted at the opportunity of paying a larger sum, in order to save campaign expenses. Those who have drawn opponents are not so happy about the small number of candidates in the field.

Local candidates should not confuse the dates for final filing with the Precinct Convention on May 3; and the County Convention on May 6.

First filing of campaign expenses will be on June 16. On this same date the County Executive Committee will meet to set the cost of each candidate for getting his name on the ballot. Candidates will have until June 21 to pay this assessment.

Local Dairymen Continue To Hold High Standards

Last week the Randall County Dairy Herd Improvement Association received a few tips upon organizing an organization that would be highly beneficial to them. The suggestion came from Arch Meekma, Extension Dairy Specialist.

The organization he suggested would be called F. W. B. & M. which are the initials for feeding, weeding, breeding, and managing. Such an organization would help the dairymen in finding the weakest link in their chain of organizational efficiency.

One of the advantages of this area is the fact that it produces larger crops of higher quality feed. In this capacity it was pointed out that the F. W. B. & M. program would be of great help to dairymen. The better crops produced in this area is the "comparative advantage" economists speak of.

Canyon dairymen rating high in the various phases of the D. H. I. A. program during the month of March are Neil Downing, Joe Carver, Ed Bourn, V. M. McCaskill and L. S. Johnston.

During the month of February only one Association beat the Randall County Association in average. It was explained that this association had three herds which gave them a great advantage.

T. H. McDonald Files for Randall County Chairman

Democratic County Chairman Newton Crain has announced that he will not be a candidate for a second term.

Col. T. H. McDonald of South Amarillo has filed as a candidate for the office. The office carries no salary. Col. McDonald was a former teacher in the Canyon public schools and left here with Company F during World War II.

New District Court Term Will Open Next Monday Morn

Judge Henry S. Bishop will open the new session of District Court next Monday morning. He will empanel the grand jury and give this body instructions as to their work at 9 o'clock.

The petit jury has been called to meet at 10 o'clock. A number of cases are on the docket for trial.

Brother of W. H. Harden Died Sunday

J. W. Harden, brother of W. H. Harden, passed away Sunday night in Memphis, Tennessee.

Funeral will be at Cleveland, Miss., and burial will be at Mantee, Mississippi.

EDITORIAL COMMENTS

School Situation Calls For a United Action on Part Citizens

The Canyon News man sat in on a school board meeting the other night and heard the story on the needs of the school during the future years. It is not a flattering situation to say the least. But it is a situation that cannot be overlooked, or postponed.

We are highly pleased at the big turn out of voters at the trustee election. We had no part in the affair which brought out this big vote of 1025 persons. We are convinced that good men were elected to the school board, probably no better than the two candidates who were defeated. Having sat for eight years on this body back in the days when the Canyon School was a small affair, we are delighted that the system has come so far during the years.

Whatever criticism we have to offer at this time is the fact that the school board and administration have kept their work under a bushel. Too few persons in the district really know what the board has been doing, and very, very few persons appreciate the handicaps which confront this group. Perhaps some of the charges which were directed against the schools during the heat of the campaign would have been eliminated if the people had been taken more into the confidence of the administration during the past years.

The situation cannot be postponed by opposition to any one person or any group of persons on the board of trustees; or by any group of citizens in the school district.

When the Canyon school district took over the training school, the Board of Regents gave the use of the Education building to the district for a period of years. Everyone knew that in the near future the Regents would have need for additional room, and that it would be necessary for the school district to provide additional room for the children. The trustees have no control over the number of children who must be educated, and that number increases year after year.

One of these days the Board of Regents will demand that all of the Education building be transferred to the college for college work. The building belongs to the State of Texas, for the education of students who come here from all sections of the State.

Naturally teacher training is a vital part of education, but it is not the job of the State to furnish these facilities, and training school facilities are being eliminated over Texas as the Gilmer-Aiken bill takes care of the teacher load. No one in Canyon has any control over this situation.

The only thing left for Canyon is to capitalize upon the interest shown by the voters in the recent trustee election and vote a bond issue sufficient to build adequate buildings to house the growing population of this community. We believe that this interest is genuine, and that the men who were elected have the interest of the school at heart. We are convinced that every person connected with the school system is genuinely loyal to the best interests of the children of the community and want to see the facilities for education grow from year to year.

The Newsman was happy to have been a member of the school board when the present high school building and the ward school building were erected. That was 25 years ago. The only additional space provided to the system during the past years has been more or less temporary structures which were moved here from army camps. The two buildings are in splendid state of repair, thanks to the care shown by past administrations.

We would suggest that all citizens of Canyon forget any petty grievances which they may feel toward the present system; face the situation as it presents itself; and then support a bond issue which will build an adequate school building to house the children who are here now, or who may be coming in the future years. It should be the pleasure of each and every citizen of the Canyon Independent School District to provide the best schools within their powers for the children who are in our midst. We believe that this is the spirit which prevails in this educational center.

Senator Tom Connally Should Be Given a Good Federal Job

Senator Tom Connally did the right thing in withdrawing from the race for re-election. He would have been defeated in the July primary unless a miracle had happened.

If all of the nice things which are now being said of Senator Connally could have been transplanted into votes, he would have been an easy winner. However, all of these nice things come too late. Both Democrats and Republicans alike are high in their praise of the Senator—the man who looks more like a Senator than any other man in Washington.

Perhaps he has not been acting like a Senator of late. His 74 years have been taking their toll. He has deteriorated in looks, as well as in thought and action.

While we have always been a supporter of Senator Connally, we are glad that he quit the race. As a matter of record, we would have voted again for the Senator, fully realizing that he was doomed for defeat. He is an able man, and deserves well of his nation.

We hope that President Truman will take care of Tom Connally before he leaves office in January. The President has been taking care of his friends, those who are far less capable and less qualified than Senator Connally. Perhaps the closeness of Connally to Truman is the greatest handicap that he would have had if he had stayed in the race for re-election.

We are reminded that you must be regular in any political party if you expect to win. When Gene Worley first went to Washington as our Congressman he tried to be independent. Sam Rayburn took him aside and gave him some advice. "Stay with the party, and the party will stay with you; be independent and be kicked out," said Sam to young Worley. As a result of playing the game in a regular fashion, Gene has a soft spot on a federal court in spite of lack of law experience and seemingly small ability as a lawyer.

Yes sir, we do hope that the President will take care of Senator Connally, and wish to assure one and all that whatever job he is given that the people of the nation will have one able man filling a federal spot.

Despite all the talk about the country going to the dogs, people seem to be doing pretty well in this community.

The team that doesn't play to win ut plays the game on principles usually loses.

Fur Will Fly Since Eisenhower Will Return for GOP Campaign

You can put it down as a certainty: The fur will fly in the GOP camp from now until the National Convention is held. The Taft forces now have a real opponent. Taft controls the GOP party machinery, and he does not intend to give up this control.

Eisenhower says that he will not come back to America until about June 1st. Many of the delegates to the National Convention will have been pledged by that time. Taft may control nearly a majority of the delegates by the time Eisenhower returns.

Independent Republicans and Democrats who are for the General are convinced that Eisenhower is the candidate for the independent faction of both parties. That is the reason that Taft will make sure that he controls a sufficient number of votes to gain the nomination on the first ballot. Unless he can win then, the jig will be up for the Senator from Ohio.

What about the Democrats? With only Senator Kefauver left in the race for the Democratic nomination, it appears that a waiting game will be played. Wise Democratic leaders are convinced that no Democrat will be able to defeat Eisenhower. Therefore if he is the GOP nominee, just watch the bosses feed Kefauver to the lions in November. That would be the easy way to dispose of him.

But if Taft is the Republican nominee, just watch the antics of the boys in the smoke filled back room as they decide upon the Democratic nominee.

That is the reason why Texas delegates must be free to make such trades as appear best when the convention is held.

We are sure that the hands of the delegates will not be tied to Kefauver or to any other person at this time.

Be sure you attend the precinct convention on May 3 and express your opinion.

Our Labor Government Messes Up Conditions, as in England

The people of this nation are sick and tired of our labor government. We have an idea that this labor government will get the boot in November the same as the British did in the recent elections in England.

We have always tried to be fair to labor and resent any unjust attack upon labor as a whole. No industry could exist without labor, and no one would attempt to run any sort of business without laborers.

The thing that red blooded Americans resent is the effort of the Truman administration to force industry to accept the edicts of labor without question. The fact that the man who went broke trying to run an independent business is attempting to dictate the business operations of big business, and setting the prices at which big business may sell its products does not set well with any American.

There are only about one million steel workers in the nation; there are no less than 159 million other persons who must be considered in any wage hike, or price fixing. The fact that three-fourths of the profits of any business goes into the federal treasury does not seem to be considered as vital by the President. If Truman succeeds in breaking the big companies, then he can turn on the small outfits, until pretty soon there would be no money left in the federal treasury from taxes.

That is just what has happened in England. That is why we are forced to feed France while the taxpayers of France buy their way out of taxation.

It is fortunate for the nation that Truman and his pet ideas will be out of the picture in a few months.

That is why we are convinced that any Democrat will be defeated in November when the people speak their minds on this labor government.

Flood Conditions Are Made by Short Sighted Acts of Man

At a meeting of the Governors of flood stricken states, President Truman blamed the delay of flood control on Congress. Is he entirely blameless?

The President states that he cut to the bone his requests for flood control, but Congress had turned a deaf ear on his request. Why?

Simply because the proposed budget had been stacked by the President with all kinds of requests which had nothing to do with defense, as he said, but to carry out some of the President's fancies. These money demands called for the spending of billions of dollars on useless trills.

In years past it has been the custom of Congress to pass appropriation bills, labeled pork barrel for flood control on various projects. We just wonder what this money has been going for and what disposition the President would make of funds which were allocated to him for control of flood waters on the Missouri and Mississippi.

If properly guarded, the money could be of great benefit. Yet, keep it in mind that we, the people, are responsible for these floods. We, the people, have cut down the forests along the river banks, and have plowed up the grounds which have hitherto stopped floods.

Some floods have been caused by excessive rains, but in this particular instance the floods were man made.

Only the Governor of Nebraska is approaching the situation sensibly. He has called a special session of the legislature to pass appropriation bills for the relief of flood stricken people of his area before Congress can act. This is private enterprise at its best.

Commies Grow Stronger Due to Our Mistakes in Korea

Another Commie victory!

Our peace delegates met; recessed after a few minutes of passing the buck with the commies.

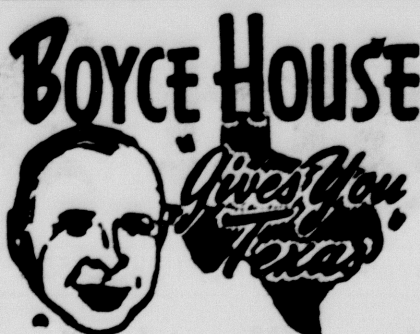

While we continue to build up our defenses, the commies are likewise growing stronger.

No wonder there is such widespread resentment among the Air Corps over the making of clay pigeons of our pilots. No young man wants to die unless he is serving his country well.

No one knows just why we are fighting in Korea, since the President has dubbed the war a delaying action.

How long will the "war" continue in Korea? Again, no one knows, but we are assured that the commies grow stronger day by day at the expense of our choked down offensive.

Our own personal opinion is that some automobile horns make too much noise.

Do you believe in ghosts? Well, here is a true ghost story.

A traveler arrived at an inn one night and asked for supper and lodging. The proprietor said, "Supper, we will be happy to provide—but all our rooms are taken." "All?" the traveler asked. "Well, all but one," was the reply, "and I would not rent it to anyone for it is haunted."

"I don't believe in spirits; I will take it," the other said.

So he enjoyed a hearty meal, smoked his pipe before the jolly fire in the big fireplace in the public room, and then signified he was ready to retire. The host lighted a candle and conducted him upstairs, down a long hall and around a bend of the corridor where he fumbled with the lock and, opening the door, said, "Here is your room."

The dim light of the candle revealed the dust of long disuse on the sparse furniture and there was a musty smell. The proprietor set down the candle, said "Good night" and departed. The guest locked the door and propped a chair against the handle. Then, picking up the candle, he made a thorough inspection of the room, not neglecting to look under the bed and examining the clothes closet. There were two windows but they were bolted.

Satisfied that the room was empty except for himself, the traveler undressed, climbed into bed and blew out the candle. After a few moments, he arose without the slightest noise, tiptoed to his valise and removed a pistol which he placed under his pillow, then he lay back down.

Silence so profound that it seemed to be felt reigned. The

bed being comfortable and the day's journey having been long and tiring, the man soon fell into a sound sleep. Suddenly, he found himself wide awake. He sensed the presence of someone or something in the room! He strained his ears but there was not the slightest sound.

His eyes had become accustomed by this time to the darkness and he saw something at the foot of the bed. Drawing the pistol from under the pillow, he demanded, "Who's there?" No reply came. "What are you?" he asked in a voice that, in spite of himself quavered. Again, only silence. "Speak or I'll fire," he shouted. Once more, only stillness.

The next moment the pistol roared and there was a scream—from the guest for he had shot off two of his toes; it had been his own foot sticking out from under the cover that he had seen.

And that, my children, is a true ghost story.

FEMININE FRANKNESS

Two lovely ladies who were beyond their first youth, but not completely beyond hope, were discussing, of all things, men. They compared likes and dislikes on various masculine traits and characteristics and at last one boldly took the plunge and asked her companion, "Dear, if you had your choice of a husband who had money, or who had brains or one who had appearance, which would you choose?"

Her companion did not hesitate. "I'd like appearance, and the sooner the better!"

DOUBLED IT

Sailor (on leave): "I met my old girl today. Haven't seen her in ten years."

Friend: "Has she kept her girlish figure?"

Sailor: "Kept it? She's doubled it."

Miss Joann Cooley spent the Easter holidays with her parents, Mr. and Mrs. Webb B. Cooley, in Dallas.

Help Keep Canyon Clean!

Lions Preparing For Election and Minstrel Show

The time usually devoted to programs at the Lions Club is being used by the members at this time to prepare for the big Minstrel Show coming up soon. The business facing the members at this time is the election of officers.

During the luncheon Wednesday Aubrey Crossland explained the duties of each official. After the Lions heard the responsibilities of the various posts in the club, Lion Bud Hickman read the names of the candidates previously selected. It was explained that the officials for the coming year would be selected from these candidates or from nominations from the floor.

After the business session and lunch period came to an end, the Lions practiced some of the songs to be sung at the Minstrel Show. Mr. and Mrs. Houston Bright are working together with the Lions in order to promote an excellent musical program.

The Lions welcomed one guest, Ralph Reagan, a member of the Lubbock Lions Club. Reagan was the guest of Lion Clay Cooper.

Rodeoers Place In NIRA Events

In the Arlington State Inter-collegiate Rodeo last week end the West Texas State Rodeo team looked very good by placing in several events and having the all-round cowboy.

Roy Reynolds was named all-round cowboy over contestants from sixteen other colleges and was awarded a saddle and a large belt buckle for his performance.

Bob Kelly placed fourth in bull riding while Dick Doyle placed seventh in the same event. This week end the team will venture to Stillwater, Oklahoma, to participate in the Oklahoma A&M Annual Rodeo.

Japan will charge West for facilities after pact.

Jack Robinson, Preacher - Athlete, To Speak At Baptist Revival Here

Jack Robinson, former All-American basketball player and Olympic star and now a Baptist minister, will give five sermons to Canyon congregations Friday, April 25, Saturday, April 26, and Sunday, April 27.

Robinson will deliver his first sermon Friday night in the First Baptist Church. Saturday noon he will speak in Buffalo Stadium and the same night he will preach in the church again. He will hold morning and evening services in the church Sunday.

As an athlete Robinson carved himself a notch in the basketball Hall of Fame. Playing at Baylor University he landed a berth on the All-American quintet in 1946-47-48 and was a member of the U. S. squad in the 1948 Olympics.

He was given the Jack Dempsey Award for Outstanding Athlete of 1949 and was called the greatest high school basketball player in Interscholastic League history while playing at Pascal High in Fort Worth.

GOOD COMPANY

Young Mrs. Jones, a bride of a few months, found her days long and lonely while her husband was away at his work. Smiling sweetly at hubby as he was preparing to leave for the office, he said:

"Darling, I heard you tell Bill the other day that money talks, is that true?"

"That's right, dear, it really does."

"Well, how about leaving a few dollars in the house. I get terribly lonesome."

TESTING

Guy: "Hey, I thought you were on a diet."

Gal: "I am."

Guy: "Then why did you order a banana split?"

Gal: "Just to test my will power."

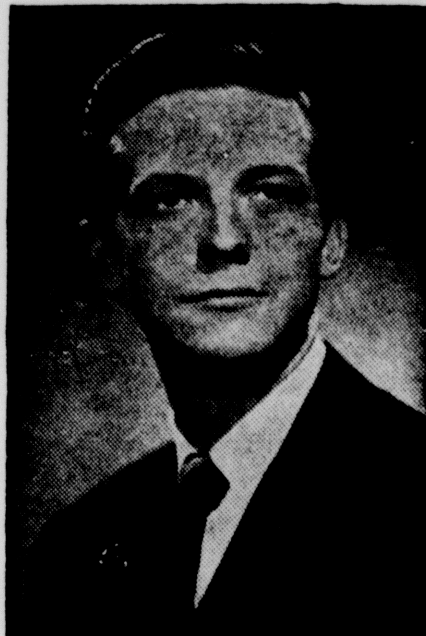

THAT'S DIFFERENT

"Mummy, may I go in to swim?"

"Certainly not, my dear, it's far too deep."

"But Daddy is swimming."

"Yes, dear, but he is insured."

lete of 1949 and was called the greatest high school basketball player in Interscholastic League history while playing at Pascal High in Fort Worth.

As a preacher Robinson has also received acclaim. He has held city-wide revivals in eleven of America's major cities and in Honolulu, Hawaii. While with the Olympic team in 1948 Robinson preached the Olympic sermons over four major networks including England's BBC.

A 1949 graduate of Baylor, Robinson did special study at Edinburgh, Scotland. During the summer of 1949 he traveled and preached in Europe.

BENEFICIARY

The stranger breezed in with a big smile. "Good morning, doctor. I just dropped in to tell you how much I benefited from your treatment."

Doctor: "But you're not one of my patients."

Stranger: "I know. But my uncle was and I'm his heir."

And your insurance coverage should keep pace with your progress. Have you made recent improvements to your home?

Have you bought new furniture or appliances? Let's go over your needs and policies this week. No obligation, of course.

**Olinger - Kelso Vows Solemnized in
Easter Setting at Methodist Church**

First Methodist Church of Canyon was the scene of the marriage of Mary Lou Olinger of Amarillo and Wayne Kelso of Canyon on Saturday evening, April 12. Miss Olinger is the daughter of Mr. and Mrs. S. L. Olinger of Hugoton, Kansas. Mr. Kelso is the son of Mr. and Mrs. Hugh E. Kelso of this city.

Rev. Herschel L. Thurston, pastor performed the double ring ceremony before the altar arranged with pink gladiolas and Easter lilies and candelabra on either side.

Mrs. Glenn Dowlen, organist, played a prelude of nuptial selections and accompanied Holmes Ambrose, who sang "Because" preceding the ceremony and "The Lord's Prayer" as the benediction. The traditional wedding marches were used for the processional and recessional.

Miss Gwendolyn Kelso, sister of the groom, lighted the candles. She wore a sheer orchid dress and she carried a pink candle in a nosegay of pink carnations.

Mrs. Charles Ray Kelso served as matron-of-honor. She was attired in a light blue silk shantung dress with a sweetheart neckline accented with white accessories. She carried a bouquet of white carnations.

Charles Ray Kelso served as his brother's best man. Ushers were Glenn Gardner and Harold Cullen, both of Amarillo.

The bride, given in marriage by her father, was attired in a ballarina length dress of white lace and net. The bodice was lace with a high neck and long sleeves. The skirt of white net over satin was full. Her hat was of white lace with a small veil and rhinestone clips on either side. She carried a white Bible topped with an orchid bearing white satin streamers. She wore white lace mitts coming to a point over the hand.

The bride's mother wore a pink crepe dress with navy accessories and a white carnation corsage. The groom's mother wore a navy blue sheer dress accented with navy and white accessories and a corsage of pink carnations.

Immediately following the ceremony, a reception was held in the home of the groom's parents. The

**Announcement Tea
Honors Bride-Elect
Norma Jo Tomlinson**

NORMA JO TOMLINSON

On Sunday afternoon, April 20, Mrs. Floyd Tomlinson honored her daughter, Norma Jo, with an announcement tea to announce her approaching marriage to Cpl. Ken Williams, son of Mr. and Mrs. W. B. Williams.

Forming the receiving line were Mrs. Tomlinson, the honoree, and Mrs. W. B. Williams.

The table, covered with a hand-drawn linen cloth, was centered with the Medical Air Corps cap of the groom-to-be on a base of styrofoam. The cap was covered with white carnations with wings on the front of the cap. On the bill of the cap was the announcement, "Norma and Ken, June 6." Extending from each side of the cap were pink rose buds with white maline encircling the base of the styrofoam. On each end of the table were white tapers. Mrs. J. B. Roberts presided at the tea service. Jo Ann Merriman secured names of guests.

Mrs. Ray McReynolds played for the first hour with Miss Ruth Ann Soll playing for the second hour. Approximately 85 guests called during the afternoon.

**Canyon Bowlers Are
Near Top in Tourney**

The Invitational Tourney is still in progress at the Canyon Bowling Alley with Canyon bowlers ranking near the top in each of the divisions. The standings at the end of last week end are:

Teams
1st—Raines West Texas Shoes of Amarillo 3049
2nd—Taylor & Sons, Canyon 2968
3rd—KAMQ, Amarillo 2894
4th—Kenney Shoes, Amarillo 2881
5th—Plainview Bowling Alley of Plainview 2805

Doubles
1st—Hudson and Hale, Amarillo 1227
2nd—W. Evans and B. Evans, Plainview 1201
3rd—Bishop and Smith, Amarillo 1174
4th—Carter and Collinsworth, Tie Canyon 1174
5th—Conger and Shemwell, Amarillo 1156
6th—Ruce and Hall, Amarillo 1135

Singles
1st—B. Davis, Amarillo 692
2nd—Best, Amarillo 689
3rd—M. Granes, Amarillo 650
4th—Don Schmidt, Canyon 613
5th—Shemwell, Amarillo 612
6th—Royce Moore, Amarillo 611

The tourney will continue this week end and the public is invited to watch the fine teams in action.

**Father and Son
Banquet Given at
Christian Church**

A father and son banquet was observed at the First Christian Church Wednesday night, April 16. Rev. Win Matsler, pastor of the church, said that 71 tickets had been sold to the banquet and almost the entire number was present.

Gus Miller, West Texas State College basketball coach, was toastmaster. The invocation was given by Rev. Matsler. There was a song session led by Marion Higdon and the welcoming address was delivered by Frank Barnhill.

A toast to the sons was given by Ray Clay and a toast to the fathers was given by Harold Root. The speech for the occasion was given by Dr. Walter Juniper, dean of West Texas State.

Mr. and Mrs. Tommy Sherrill spent the Easter holidays in Sudan visiting in the parental Rev. U. S. Sherrill home.

Mr. and Mrs. Douglas Damron spent the Easter holidays touring in Arkansas, Oklahoma, Tennessee, Mississippi, and Louisiana.

Mrs. J. W. Bourn and Mrs. Mary Simon visited with Mrs. D. C. McCormick Friday.

Mr. and Mrs. G. W. Cox returned home Friday from a two weeks fishing trip into Old Mexico.

Mrs. Ida Barlow of Wichita Falls is visiting in the home of her daughter, Dr. Ima Barlow.

W. J. Wooten, Dr. W. J. Wooten, Jr., and W. C. Black left Tuesday morning on a fishing trip to Texhoma.

**Rained Out Open
House Continues
At Pyramid Sales**

Although rains pelted the area during the Pyramid Sales Company's open house, attendance was reported as being fair. Visitors representing Colorado, New Mexico and Oklahoma were present in addition to those of the immediate area. The results were so gratifying that the business will be conducted, at least for the time being, on a constant open house basis.

During the open house it was learned that many local people had not visited the business because they felt there was no need for such a visit. The open house has resulted in a more widespread feeling of mutual friendship. Because of this refreshments will continue to be served to visitors for the time being.

The company had a guest book but the person who was supposed to preside at it was ill. As a result only about 50 names were signed on the register. Mrs. J. O. Parker said that people were still telephoning and asking for permission to come by some time Tuesday.

H. D. CLUB COMMODITY SALE

Saturday, April 26, at 1 o'clock the Home Demonstration Clubs of Randall County will hold a commodity sale in the show room of West Texas Motor Company. Articles for sale will include aprons, bonnets, pillow cases, shoebags and other articles of sewing; cakes, pies and home made breads.

Weed Control Meeting Slated

The Amarillo Experiment Station at Bushland will be the scene for a two-day meeting for the 5th annual Texas Weed Control Conference. The meeting is scheduled for Thursday and Friday, April 24 and 25.

Primary purpose of the conference and field days will be to acquaint people in this area with new chemicals, machinery, methods and research reports on weed control. There will be other phases of agriculture not directly related to weed control given covered in the program.

The program for Thursday will include discussions on control of bindweed and Johnson grass together with control of weeds in wheat and grain sorghums. After lunch John C. White, Commissioner of Agriculture, Austin, will discuss the Texas Herbicide Law. C. E. Fisher of the Spur Experiment Station and Fred E. Ulich from A. and M. College of Texas will appear on the program. A tour of points of interest on the station will conclude the first day's activities.

To appear on the program the second day will be Dr. Jack Harlan of Oklahoma A. and M. College, A. C. Gunter of Texas Extension Service, Norris Daniels of the experiment station at Amarillo, John Landrum of U. S. Department of Agriculture. Pasture grasses and plant insects will be discussed by specialists during the second day.

Lunch will be served each day at noon by the Bushland P.T.A. The public is invited. Farmers in Randall County are doing large amounts of weed spraying and could receive valuable information on new machinery, chemicals and methods. John Brazzil, Randall County Agent, has a copy of the program for the two-day affair.

Professional Ball Games Shown on Screen at Rotary

The 1951 World Series games were played again Tuesday in Canyon when shown on the screen by Dr. Robert Jarrett. Crucial plays were shown in the 45 minute talking picture which was thrown on the screen.

President Bud Parker, Boone McClure and Herschel Coffee attended the district conference held at Odessa Monday.

Holmes Ambrose urged local people to attend H. M. S. Pinafore, to be presented by the Music, Art and Speech Departments of the college on May 13-14. Reserved tickets are now on sale at the Canyon Drug, The Pharmacy and Buffalo Drug.

Visitors were: Bordon Price, Hatcher Brown and Gene Mayfield of Canyon; Arthur Blum, E. C. Wagner, Guy Carlander, Geo. H. Hammock, A. J. Folley, Leon Dupuy, Joe C. Rogers, Van H. Allm, all of Amarillo.

Dr. Law Sone was here over the week end to visit with his father, C. L. Sone. Mr. Sone left with his son to spend a few days visiting in Fort Worth where Dr. Sone is president of Texas Wesleyan College.

News In Canyon 25 Years Ago

(Taken from the files of
The Canyon News of
April 21, 1927)

The oldest building in Canyon is being removed to make way for a brick building. The building was the old postoffice building for a long period of years until the office was moved to the rear of the First State Bank in 1907. The late T. R. R. Atkins had his store in the building.

Dr. F. M. Wilson has sold his residence to Dr. C. A. Pierle and will start construction on a new home.

J. T. Service has been elected as construction supervisor of the new ward school building by the board of trustees.

Dr. Earl C. Axtell opened offices on the east side for the practice of medicine.

Band Contests Slated Here; 4,600 Students To Attend

The largest band contest in the history of Region I and one of the largest in the Southwest will be held on WT's campus April 24-25-26, announced William O. Latson, director of the Buffalo Band.

Sixty-three bands and orchestras with 900 solos and ensembles will take part in the contest.

Many noted music judges will be on the campus for the contest, among those being Hugh McMillan, director of the band at University of Colorado; Leonard Haug, director of the band at University of

Oklahoma; Bernard Fitzgerald, director of the band at University of Texas; and Arthur Harrell, president of the National School Band and Orchestra Association.

Sight-reading judge will be Hiram Henry from Oklahoma A&M, and Orchestra judge will be Frank Ahlady, also from Oklahoma A&M. There will also be seven solo and ensemble judges that are all outstanding music educators from the Southwest.

Latson commented, "We're expecting about 4,600 high school students and faculty on the campus during those three days. Practically all auditorium facilities will be in use by the contest. These bands will wear their colorful uniforms which will, indeed, make a beautiful spectacle on our campus."

MRS. LOYD DEVIN HOSTESS TO BID 'R BYE CLUB

The Bid 'R Bye Bridge Club met Thursday evening, April 3, in the home of Mrs. Loyd Devin.

Spring flowers were used throughout the entertaining rooms. A delicious dessert course preceded the evening of bridge.

High prize for each of the three tables of bridge was awarded to Mrs. Chris Wooten, Mrs. C. E. Thompson, and Mrs. A. G. Kieselbach.

Members and guests present were Mesdames Chris Wooten, C. E. Thompson, Charles Hillier, Stuart Condon, A. G. Kieselbach, Murphy White, Leroy Moreland, Cliff Mlinar, W. T. McGregor, Elmer Wooten, Charles E. Wright, Borden Price, and hostess, Loyd Devin.

CEILING PRICES

PLEASANTVIEW 4-H MEMBERS STAGE STYLE SHOW SATURDAY

The Pleasantview 4-H Club met Monday, April 14, at the home of Miss Dorothy Cranmer. The club discussed their garments for the County Dress Review which was held Saturday, April 19.

Helene Meyer, president, called the meeting to order. All girls present received help from Miss Lou Ella Patterson in fitting their garments. The next meeting will be in the home of Alby Kuehler.

Refreshments were served to Annette and Helene Meyer, Alby Kuehler, Mrs. A. M. Kuehler, Miss Patterson, Peggy and Lita Cranmer, Mrs. E. L. Cranmer and the hostess.

ATOMIC TESTS

It has been announced that seven thousand officers and enlisted men will take part in an atomic test in Nevada sometime during April.

Amarillo C of C Ends Goodwill Tour in Canyon

Shortly before 4 o'clock Thursday afternoon the Amarillo Junior Chamber of Commerce Sponsored Goodwill Tour arrived on the square here. The stop was the last of thirty made during the goodwill tour. The Amarillo Air Force Band accompanied the Chamber of Commerce members to provide a musical program at each stop.

Mayor Andy Walsh welcomed the group to town with a short address. Frank Helvey was Master of Ceremonies and he was assisted by Dick Gifford, an Amarillo radio announcer. During the program short speeches were given by Col. Hall, Lt. Butler and Bill George. Bill George spoke of the importance of the towns and cities of the Plains working in harmony with each other.

Radio personnel from KFDA were present to make a recording of the procedure to be played back that night. The program had several snappy numbers by the Amarillo Air Force band. Two of them were "The St. Louis Blues March" and "Tiger Rag."

For about 30 minutes the north side of the square was filled with cars, buses and people. A large crowd turned out to meet the members of the goodwill group. They arrived on the square a few minutes before 4 o'clock and by 4:30 were leaving for Amarillo.

Boy Scout Troop 66 Takes Second Place at Annual Area Camporee

Scoutmaster Stuart Condon and Assistant Scoutmaster Ed Pettit returned from the big Camporee with the second place winning troop. They were eliminated from first place in the final event of the final day by Troop 24 of Amarillo. The Llano Estacado Council Camporee was conducted at Camp Don Harrington. More than 800 boys from this area took part in the event. The annual camp got underway Friday afternoon and closed Sunday afternoon.

Condon explained that Canyon's Troop 66 was the youngest troop in the event, being organized about January 1. This troop took second place out of the 79 various troops attending. They barely missed the

first place slot, being beaten in the final event by Amarillo's Troop 24. There was a total of 15 events and out of these the Canyon troop took eleven A's, one B and two C's. It was the last event that gave the boys the two C's and Amarillo's Troop 24 two A's to determine the first and second place winners.

Class A ratings were won by Troop 66 in the following competitions: Signaling, marksmanship, scout drill, camping, cooking, attendance, flap jack flipping, first aid, knot tying, tent pitching and peg making and compass trail.

A class B rating was given for artificial bate casting. C ratings were given on fire building, both by flint and steel and by friction methods.

The boys who went out with Troop 66 were Raymond Haddock, Neel Garver, Doy Hammet, Roy Hunter, Gary Sheppard, Joe Bailey, Mike Hood, Frank Kimbrough, Jr., James Young, Arthur Lee Pruitt,

Alen Hanks, Charles Joyner, Richard Dodson, Jimmy Joyner, Billy Harrison, Richard Busted, Gary Humphrey, Meed Humphrey, Don Ford, and John Morris. In addition to the boys in Troop 66 Assistant Scoutmaster Ed Pettit and Scoutmaster Stuart Condon were present.

The achievement at this annual camp was really a great one for Troop 66. Out of the 79 troops present only two class A ratings were given and the Canyon troop got one of them.

RANDALL CO. H. D. COUNCIL PLANS COMMODITY SALE

Randall County Home Demonstration Council met in regular session Saturday with 24 members and guests present.

The meeting opened with Mrs. E. W. Miller singing a song written by an ex-student of West Texas State College. She was accompanied by Mrs. Everett Culp at the piano.

A Commodity Sale will be held Saturday, April 26, in the showroom of the Ford Motor Company, at 1 o'clock.

Club members are asked to bring their sale articles to Miss Patterson's office by 12 o'clock.

CALLAWAY WENT THATAWAY

Annual Banquet Honors CHS Band

The Canyon High School cafeteria was the scene of the annual band banquet given in honor of the band by the Band Parent's Club, Friday, April 18.

Mrs. Ralph Ruthart, Band Parent's Club president, welcomed the group to the banquet. Bobby Vandergriff, band president, directed the response.

Decorations consisted of tinsel stars on the north wall of the cafeteria. On each table was a bouquet of red tulips and yellow jonquils. A band instrument was the centerpiece on each table.

Ernie Seigrist, solo accordionist and first place winner of the recent WT Amateur Show, presented two accordion solos. Houston Bright and his Varsity Quartet sang three Negro spirituals.

The meal consisted of pineapple carrot jello salad, fried chicken, snowflake potatoes, cream gravy, English peas, iced tea, hot rolls, apple cobbler, and ice cream.

Rev. T. Winston Wilbanks was the guest speaker of the evening. The main theme of his address was "Get Behind the Right Director, the Almighty God."

Dancing followed in the high school gymnasium.

1925 BRIDGE CLUB MET IN MRS. AUBREY CROSSLAND HOME

In the home of Mrs. Aubrey Crossland, the 1925 Bridge Club met on Wednesday, April 16.

Lovely spring flowers were used throughout the entertaining rooms.

A dessert course and coffee were served to Mesdames Herschel Coffey, Leonard Britt, Houston Bright, Glenn Dowlen, A. G. Kieselbach, Clark Jarnagin, R. P. Jarrett, Jr., A. K. Knott, W. A. Warren, C. B. McClure, J. J. Walker, Milton Morris, Hatcher Brown, Newton Crain, Melvin Callihan, and J. Madison Daugherty.

Senator Theodore Green, age 84, is in line to become chairman of the Foreign Relations Committee when Senator Tom Connally, age 74, retires—provided Democrats control the Senate in 1953. Representatives Jere Cooper, age 58, however, will take over from Representative Robert Doughton, age 88, when Mr. Doughton retires as chairman of the Ways and Means Committee—the Committee that originates all tax bills.

Help Keep Canyon Clean!

Engaged

DOROTHY CARTER

Mr. and Mrs. Bob Carter are announcing the engagement and approaching marriage of their daughter, Dorothy, to Jerre Inman, son of Mr. and Mrs. C. O. Elkins. The date has been set for May 10.

Tea Honors Miss Dorothy Carter

In the home of Mrs. Roy Byrd, Jr., Miss Dorothy Carter, bride-elect of Jerre Inman, was honored with an announcement tea Thursday afternoon, April 17.

The receiving line consisted of Mrs. Roy Byrd, Sr., the honoree, and her mother, Mrs. Bob Carter.

The table, covered with hand-drawn linen cloth, was centered with a tiered styrofoam base on which a large heart, covered with sweet peas, was placed on the top tier on one end with a large nosegay centered with sweet peas on the opposite end.

Small nosegays of green ribbon with sweet peas were showered over the lower tier of styrofoam. Around the base of the tiered centerpiece on green streamers was the announcement, "Dorothy and Jerre, May 10."

The streamers continued to the ends of the table to form bows which were surmounted by nosegays of sweet peas. Green tapers added to the graceful arrangements at the ends of the table.

Mrs. Addie Hefner, grandmother of the groom, presided at the tea service with Miss Mildred Carter, sister of the bride, serving during

the second hour. Diamond shaped individual cakes topped with pink bells, mints, nuts, and punch were served.

Mrs. Horace Carter presided at the guest book the first hour with Miss Ruth Ann Crowell presiding the second hour.

Approximately 84 guests called during the afternoon.

MOTHER-IN-LAW CLUB MET WITH MRS. W. S. MYERS

The home of Mrs. W. S. Myers was the scene for the Mother-in-Law Club on Thursday, April 17.

Opening the meeting, the group sang, "He Arose" and "The Lily of the Valley." Mrs. R. T. Bowman then read the 16th chapter of Mark. Mrs. E. C. Penick led in prayer.

The nominating committee reported on their selections which were as follows: president, Mrs. H. C. Gentry; first vice-president, Mrs. C. W. Dunn; recording secretary, Mrs. Mary Burtz; treasurer and corresponding secretary, Mrs. T. T. Fain. The committee was composed of Mrs. N. A. Croson, Mrs. I. N. Steen, and Mrs. G. B. Bourland.

Co-hostesses for the occasion were Mesdames I. N. Steen, W. I. Wester, Mary Burtz, W. G. Rose, and R. M. Gibbs.

Those present were: Mesdames J. N. Brietling, G. B. Bourland, Rhea Walters, R. M. Gibbs, C. W. Dunn, Mary Burtz, M. S. Frieze, N. A. Croson, J. C. McDaniel, J. C. Hutchinson, C. Anderson, W. G. Rose, E. C. Hawes, Fred Marshall, I. N. Steen, W. I. Wester, H. C. Gentry, Addie Hefner, P. L. Pitt, G. B. Combs, T. T. Fain, E. C. Penick, W. H. Sparks, Mae Johnson, R. T. Bowman, W. S. Myers, C. H. Stratton and guest, C. L. Neelley. The club will meet with Mrs. R. T. Bowman on May 8.

The club closed their meeting with the singing of "Blest Be The Tie."

REVIVAL--Baptist Church--Friday, Sat., Sunday

Just Between You, Me and

... the Gatepost

Last week April showers and a few thunder storms invaded the area to prove that we were smack in the middle of the fourth month of the year. County Agent John Brazzil said the rain was a little late to help some of the wheat but a great deal of the crops would come out and do well now.

The rains were a lucky break for many of the farmers, then there were some who felt that the rains were a strange twist of fate. Farmers who had their irrigation wells running felt that fate had held up the rains until they gave up and started watering. Although they were happy about it, they were a little chagrined at having been caught with wet fields when the rains came. Don Olson was one of the farmers who had soaked his fields by irrigation when the showers began peppering this area.

Around the square there's another worry trying to settle upon the officials of the sheriff's department. This worry is the possibility of roof top burglars in Canyon. Deputy Sheriff J. L. Pounds pointed out that the weakest spot in any building is the roof. The roof is the easiest place for a burglar to enter. Pounds went on to point out another thing, a huge ladder placed conveniently near a business building.

This situation, the deputy said, was like an open invitation to a roof top burglar. In fact, if a burglar cared to put in the time he could burglarize several businesses by going up on the roof and merely stepping from one business building to another.

A little girl with a lot of charm comes to our column today as the visiting student in the newslight. She's a 19-year-old blond whose home is in Amarillo. The five foot three inch grey eyed sophomore is Sue Collins who is majoring in primary education at West Texas State College.

Sue is a member of Pi Omega sorority and the Buffalo Masquers. While attending school she's making her home at Randall Hall. She admits that she enjoys college and likes Canyon very much as a town. She always has a pleasant smile as proof of her happiness and contentment. After completing her college work Sue plans to teach. All we have to say is, "Some lucky youngsters are sure going to have a charming school marm in a few years."

Time now for those effervescent chirps of wisdom; there are two essentials to happiness, something to do and someone to do it for. But success really depends on how much you can do rather than how many you do.

It seldom takes more than ten years after graduating to get educated. The wise man of today knows that the past is gone and cannot be recalled. The future is not yet here and cannot be met until it arrives. In reality there's only the present which was the future yesterday and is the past tomorrow. Make the most of the present and let the past and future take care of themselves.

Just about every time Congress sets out to trim the budget, the knife slips and trims the taxpayers.

Nearly anybody can have an idea — but putting it into motion and working it is what makes the profits.

He: "Whisper those three little words that will make me walk on air."
She: "Go hang yourself."

One of the better jokes heard on the radio recently, which is much better told than written, goes something like this: "Do you know how to make auntie (anti) freeze?" The answer to this catchy little question is, "Hide her pajamas." Believe it or not, when spoken the joke comes out pretty good. Try it and see.

One of the things we haven't had in this column is a fish story. We're going to remedy that right now by telling the catch made by H. C. Gentry last week. Gentry didn't come to the News office empty handed to boast either, he had the fish with him. It was a six pound bass caught someplace in Palo Duro Canyon. The fish was landed with a new type of lure. Gentry said that he

had caught several fish with the lure during the past few days but the six pounder was the biggest. When he came to The News office, Gentry was looking for a photographer. He explained that he owned a camera with which he could take the picture but his wife had the camera in her possession at the time and she was at some beauty shop, he didn't know which one.

Well, there's the fish story. This being spring and many people going fishing, perhaps we'll get one that will beat this. The moral to this story is, "bring your fish yarn to The News so we can help you boast."

You are not required to take a party loyalty pledge before going into the place where your Democratic precinct convention is to be held.

That was perhaps the most important decision made by the State Democratic Executive Committee at its meeting in New Braunfels last Friday.

The first order of business at your precinct convention, which is to be held on May 3, is to organize. That is, you elect your permanent chairman and other officials.

Thereafter, the question of a loyalty oath may be considered. Whether it is to be administered depends upon the majority vote of those attending the convention.

What this means is simply this: the faction having the greatest number of voters present will have its way.

The action at New Braunfels came as a result of the fact that Governor Shivers and his "conservative" group were in charge of the committee, and the so-called "Loyal" Democrats were in the minority.

The "Loyalists" were beaten at every turn.

They wanted to require a loyalty pledge of all participating in precinct conventions. They asked that the Texas delegation be instructed for Senator Lyndon B. Johnson. (The conservatives said they liked Senator Johnson, but they were determined that the Texas delegation should go to the national convention uninstructed.)

A legal committee which had been studying Texas' new election laws reported that any qualified voter can take part in the precinct conventions; that neither the state committee nor a county committee may require a loyalty pledge; and that a precinct or county convention may require a loyalty pledge by majority vote only after it has been legally organized.

On one item the two sides agreed: that Texas hold preferential primaries with delegations to the national convention to be bound by the result. An amendment to that effect was adopted.

Walter G. Hall of Dickinson, chairman of the "Loyalists," charged that the results of the New Braunfels session indicated that Dixiecrats are now in charge of the Democratic party. It will be difficult for "real Democrats" to take over, he complained, because of the decision regarding the loyalty pledge.

On the other hand, Governor Shivers strongly argued his position in this language:

"In the dignity of our history and the majesty of our manhood, we say to the national party:

"We must see the black and the white of the platform and the color of the eyes of the nominees.

"We offer no blind, debasing, humiliating pledge in advance to accept without murmur whatever may be handed in grudging charity after we have stupidly surrendered in advance and cravenly thrown

ourselves at your mercy.

"No — the Democratic party of Texas, I hope, is to be dealt with in 1952 before, during — and if necessary after — the national convention in July."

He added that if the national convention puts up a platform or nominee "deemed untrue to Texas traditions or faithless to historic principles," then Texas delegates should report back to Texas and "submit to them through referendum or other special procedure the future course of the Democratic Party of Texas in the 1952 presidential election."

REMEMBER HIM?

Remember the driver who was accustomed to "weave in and out through the traffic" so skillfully? He was a good man and a fine neighbor and will be much missed. There was a large attendance.

ONE DOES

One fears the mysterious East must ever remain mysterious. A new Chinese twopewrite with 4,500 characters is described as the "simplified" model.

WE NEED OTHERS

The world's longest word has just been put together by entomologists. It is antidisestablishmentarianism. As Mr. Winchell might say, it's little things like that that make big paragraphs like these.

The game of lacrosse originated with the Indians in North America.

Bible Verse to Study

"The law was given through Moses, but grace and truth came through Jesus Christ."

QUESTIONS:

1. Who is the author of this statement?
2. Upon what occasion was it spoken?
3. Briefly explain its meaning.
4. Where may this verse be found?

Bible Verse Answers

1. John the Baptist.
2. As John the Baptist was introducing Jesus to His disciples as the long promised Messiah.
3. The Mosaic laws were given to an unregenerate people for obedience. Jesus provides the grace by which believers receive the basic impulse necessary to real obedience to God.
4. John 1: 17.

FOOTBALL COMES THROUGH

Praise be to football! The wonderful news from the Southwest is that Southern Methodist University has received a gift of \$100,000 by its athletic department to its University Press. Suddenly, a winning football team appears more desirable than even before.

New Management Takes Over Ford

Agency Owner Service Manager Parts Manager

BURAN SCOTT

Scott moved to Canyon from Hereford where he was with the Hereford Motor Co. as part owner and manager of that firm. He was born in Poteau, Okla., February 1, 1922, and received his education there. After completing school he secured a job with an Automobile and Real Estate Financier as Assistant Manager and after three years was promoted to General Manager, and remained in this capacity for five years.

He entered the automobile business, purchasing an agency in 1947, and remained here until April 1, 1951, and then purchased an interest in the Hereford Motor Co., at Hereford, where he stayed until February 1, 1952, when he moved to Canyon.

Mr. Scott lives at 2204 W. 7th Avenue with his wife, Margie, and two children, Sharon Sue, 10 years; and Vicki Jean, 1 year. He has purchased the Rogers property where he now resides.

Mr. Scott is a member of the Baptist Church, Masonic Lodge, Amritta Grotto, Shrine, Kiwanis Club and the American Legion.

Mr. and Mrs. T. S. Stevenson, Sr., left Friday morning for a visit in the home of their daughter and son-in-law, Mr. and Mrs. Fred Jennings, Jr., in Phoenix, Arizona.

SCAFE B. CROSS

Cross was born on January 14, 1908, near Greenwood, Arkansas. He later moved to Mansfield, Ark., where he completed his high school education and started to work as a mechanic in a garage. In 1929 he moved to Poteau, Okla., and began work for the Ford dealership, Poteau Motor Co. After five years there as a mechanic on Ford automobiles he was promoted to service manager, which capacity he retained until June, 1950. At that time he purchased an interest in the Poteau Trucking Co. and later purchased an interest in another automobile agency.

Altogether Scafe has had 24 years experience in the automotive field and 22 years of this time with Ford and Mercury and Ford Tractor products.

He is married and has three children. His wife, Helen, and children will not be able to move to Canyon until this term of school is finished.

He has served as Scoutmaster of Troop 30, sponsored by the Methodist Church of Poteau, for the past two years. He belongs to the Masonic Lodge, Grotto, and Kiwanis Club.

The very best in vegetable and strawberry plants. Stevens Floral.

AFTON WILLIAMS

Williams is 26 years old and was born in Love County, Oklahoma. He moved to Hereford in 1946 where he worked two and one-half years for the Hereford Motor Co. as parts manager. He worked one year for the Ward Implement Co. in Wheeler, Canadian and Shamrock as combination parts manager and Ford tractor salesman.

Mr. Williams moved to Canyon on May 8, 1950, and worked for the Lindsey Motor Company until the sale of this business. He is now employed by the West Texas Motor Co. as parts manager.

A. B. Duncan III To Preach in Canyon Sunday

One of the most promising young Methodist preachers in the Southwest today will conduct services at the Methodist church here Sunday, April 27. This young minister is Rev. Arthur Bailey Duncan III, a local boy who is a Canyon High School graduate.

Arthur Bailey Duncan is the son of Mr. and Mrs. A. B. Duncan of 1807 3rd Avenue. The young minister was graduated from Canyon High School in 1943. He served three years in the Army. Duncan took his A. B. degree at West Texas State College in 1948. He took his B. D. degree at Southern Methodist University in 1951. It was also in 1951 that he was ordained into the ministry.

Upon becoming an ordained minister Duncan became pastor of the Methodist church at Marysville, Texas. He had worked with this organization as a student minister before he became ordained.

In 1949 Arthur Bailey Duncan III married Miss Louellen Pennington of Borger. At present the couple is living in Chico, Texas, where the young minister is pastor of the Methodist church.

The church here extends a cordial invitation to the entire public as well as friends and acquaintances of Rev. Duncan to be present for the service.

NICE ANSWER

After Sunday morning service a woman stayed to chat with a friend, leaving her purse on the seat. When she returned it was gone, but she quickly found it in the possession of the pastor himself. "I thought I had better hold it," he said. "You must remember that there are some in the congregation so simple that they might consider it an answer to a prayer."

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: Grant S. Taylor, Defendant,
Greeting:

You are hereby commanded to appear by filing written answer before the Honorable 47th District Court of Randall County at the Court House thereof, in Canyon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 2nd day of June A. D. 1952, then and there to answer Plaintiff's Petition filed in said Court, on the 17th day of March A. D. 1952, in this cause, numbered 2412 on the docket of said court and styled Norma J. Taylor Plaintiff, vs. Grant S. Taylor Defendant.

A brief statement of the nature of this suit is as follows, to wit: Action for divorce and seeking custody of the three children born to this union, namely: Grant S. Taylor, Jr., Samuel Taylor and Cheryl Taylor. Plaintiff alleges defendant unfit person to have custody of said children and that plaintiff is fit and proper person to have the custody of said children. Plaintiff alleges defendant has been continually guilty of such excesses and cruel treatment, in cursing and whipping plaintiff, of such nature as to render their further living together as man and wife insupportable, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Canyon, Texas, this 19th day of April, A. D. 1952.

ATTEST:
ETHEL MULLINS Clerk,
47th District Court, Randall County, Texas.
(Seal)

Health Day To Be Observed May 1st Over Nation

Children's Health Day will be observed throughout the nation on May 1, in the hope of insuring that tomorrow's children will be sturdier than were those of yesterday.

In Texas, state health officials are shooting for a record of benefiting an even greater number of handicapped children than the 4,320 which were cared for under the state's crippled children program in 1951.

It will mean new hope for the child with a club foot, a cleft palate or harelip, a crippling burn, bow legs, or a curved spine.

State Health Officer Geo. W. Cox, whose department has administered the program since 1945, said many people "don't realize they can get state financial assistance for the physical restoration of many crippling conditions."

Eligibility for help is set by legislative statute. The law says any person of normal mentality under 21 years old whose physical functions or movements are impaired by reason of a joint, bone, or muscle defect... is eligible for care, providing the county judge where the child resides certifies that the parents cannot finance the needed care and treatment.

Physical restoration is the purpose of the program. Some of the conditions which are accepted for treatment are infantile paralysis, osteomyelitis, club feet, harelip, cleft palate, arthritis, rickets, tuberculosis of the bone, flat feet, congenitally dislocated hip, muscular dystrophy, supernumerary fingers and toes, webbed fingers, amputation, Pott's disease, and many others.

If the attending physician recommends prosthetics, the appliances are supplied.

The program does not include such handicapping ailments as rheumatic fever, hearing and visual deficiencies, or epilepsy.

Crippled children of indigent parents have been available for state aid since 1933. Formed first under the Department of Education, the program was transferred to the State Department of Health in May, 1945. Since the transfer, a total of 12,589 handicapped children have been returned to normalcy or near-normalcy.

The human brain contains approximately 10 billion cells.

ADVERTISEMENT OF LIMITED PARTNERSHIP

We, the subscribers, have this day entered into a limited partnership agreeably to the provision of the Revised Statutes relating to limited partnerships; and do hereby certify that the terms of our said partnership are as follows:

The name or firm under which the partnership is to be conducted is THE HUNSLEY-SHEFFY LIVE-STOCK COMPANY, LTD.

The general nature of the business to be transacted is the trade, business and occupation of buying, selling and trading in livestock, but more especially, in cattle.

The names of all the general and special partners interested therein, distinguishing which are general and which are special partners, and their respective places of residence, follow:

ARCH B. HUNSLEY, special partner, Canyon, Randall County, Texas;

ROBERT W. SHEFFY, general partner, Canyon, Randall County, Texas.

The amount of capital which each the special and general partner have contributed to the common stock is \$5,000.00 in cash.

The period at which the partnership is to commence is the tenth day of March, 1952, and the period at which it is to terminate is the tenth day of March, 1957.

This tenth day of March, 1952.
Arch B. Hunsley
Robert W. Sheffy

CITATION

THE STATE OF TEXAS
TO JESSIE FRANKLIN HUGHES,
Greeting:

You are hereby commanded to appear before the 47th Judicial District Court in and for Randall County, Texas, and answer Plaintiff's petition by filing at or before written petition 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance hereof; that is to say, at or before 10 o'clock A. M. of Monday the 26 day of May, 1952, in Cause Number 2427, in which Virginia Vonell Hughes is plaintiff, and Jessie Franklin Hughes is defendant, filed in said Court on the 10th day of April, 1952, wherein said plaintiff sues for divorce, said petition alleging, substantially, that Plaintiff and defendant are husband and wife, having become such by marriage on May 12, 1948, and lived together as husband and wife until on or about April 1, 1951, when on account of excesses cruel treatment of the defendant toward and about her, their further living together as such became insupportable, and in order to her health, safety and happiness she was obliged to and did separate herself from defendant; that they are permanently separated; that two children were born of such marriage, they being in the custody of the plaintiff, and plaintiff prays the Court that she be granted a divorce from defendant and custody of said children.

Issued and given under my hand and the seal of said Court at office in Canyon, Texas, this 10th day of April, 1952.

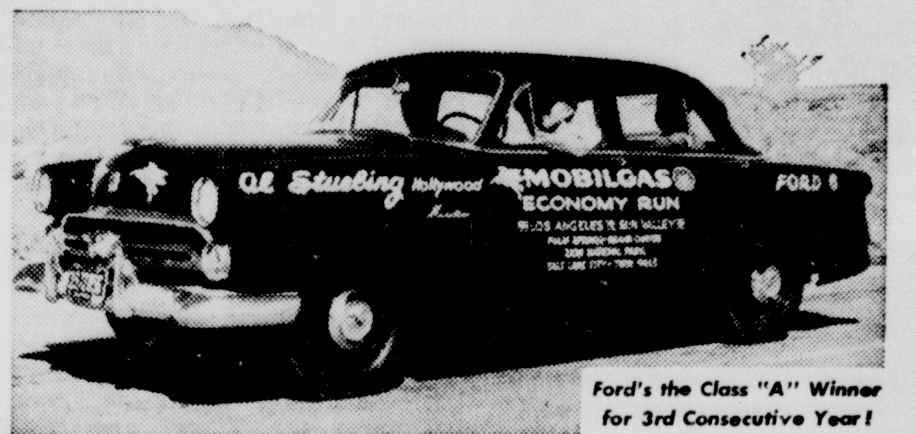

ETHEL MULLINS, District Court Clerk, Randall County, Texas.
(Seal)

FORD WINS AGAIN!

TAKES FIRST PLACE IN CLASS "A"

IN THE 1952

Mobilgas Economy Run

Ford's the Class "A" Winner for 3rd Consecutive Year!

New Ford Mileage Maker SIX Thriftiest in its Field!

Again this year... Ford was first in gas economy over all cars in its price class in the Mobilgas Economy Run. In this toughest test, a Ford Six with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon. A very important contributing factor is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas. Pound for pound, Ford's All-New Mileage Maker Six is definitely the most economical low-priced car to run!

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons consumed.

"Test Drive" the Economy Winner Today!

HERE'S THE CERTIFIED PROOF

NEW FORD
101-horsepower
MILEAGE MAKER SIX
with Overdrive
53.855 TON-MILES* PER GALLON
25.463 MILES PER GALLON

THE PARTY?
...OH, I'D LOVE
TO GO

A "big moment" in a young life... a telephone call "out of this world" in value...

Whether you go along with the teen-ager's standards of value, one fact remains. Every telephone call, important or ordinary, is a real bargain.

For the average cost of each local call, including tax, is less than 3¢.

Can you think of a better bargain?

Every "hello" is a good buy

FOR FASTER LONG DISTANCE SERVICE... CALL BY NUMBER

Three out of four motor vehicles involved in 1951 accidents were passenger cars.

Second only to speeding as an accident factor in 1951 was failure to respect the right-of-way.

Broadway - Hale Vows Exchanged in Memorial Chapel Thursday, April 10

West Texas State College Memorial Chapel was the scene for the marriage of Juanna Jo Broadway and Mose Hale on Thursday afternoon, April 10. Miss Broadway is the daughter of Mr. and Mrs. John A. Broadway of Panhandle and Mose Hale is the son of Mr. and Mrs. W. B. Hale of Goodwell, Okla.

Rev. William E. Thorn, pastor of the First Baptist Church of Panhandle, read the ceremony before an altar banked with magnolia leaves and white gladioli flanked by seven branched candelabra entwined with huckleberry vines. In the candelabra were tall tapers which were lighted by Miss Ida Beth Broadway and Miss Jan Caldwell, both of Panhandle.

Mrs. Douglas M. Smith, organist, played several selections as a pre-nuptial prelude. "Liebestraum" was a soft accompaniment during the exchange of vows and the traditional wedding marches were used for the processional and recessional. Mrs. J. T. Broadway, sister-in-law of the bride, sang "Through the Years" and "Because," also "The Lord's Prayer" as the benediction.

Bridesmaids were Miss Virginia Bailey of Amarillo and Miss Ruth Ann Soll. Junior bridesmaid was Linda Jo Broadway, niece of the bride.

The maid-of-honor, Miss Opal Lowe, of Stratford wore a pastel pink wool shantung suit with navy and pastel blue accessories. She carried a large colonial nosegay of blue shaggy daisies surrounded by carnations.

Ralph Hale, Goodwell, Okla., was his brother's best man. Ushers were J. T. Broadway, brother of the bride, and Austell Burrus.

Escorted to the altar and given in marriage by her father, the bride was attired in an aqua, wool gabardine suit, styled with a fitted jacket and softly flared skirt. Her headpiece was of white straw trimmed with orange blossoms sprinkled with rhinestones and her accessories were in white. She carried a white Bible marked with an orchid and showered with Stephanotis and white satin streamers.

A reception following the ceremony was held in Randall Hall. Mrs. Hale was graduated from Panhandle High School and attended North Texas State College. She will graduate from West Texas State College in May where she is a member of Pi Omega Sorority, the A Cappella Choir, Mixed Chorus and Treble Ensemble.

Mr. Hale was graduated from Goodwell, Okla., High School. He will also graduate from West Texas State College in May where he is a member of the T Club and Buffalo basketball team. He was selected for Who's Who in American Colleges and Universities.

WHICH?

Wife (at 4 a. m.): "A fine time to come in! I want an explanation, and I want the truth."

Husband: "Make up your mind, dear—you can't have both."

Popular Singer Here For Revival Service

BOB FEATHER

Bob Feather, a popular youth singer, will direct the singing in all of the scheduled services. Feather is now a student at Southwestern Seminary in Fort Worth.

LIPSTICK LOGIC
BY LOUISE ALLEN

Account of earth tremors felt recently in Texas and Oklahoma seemed at first glance just another news story. Competing with California, we thought. And so moved on to another item.

Then one day we saw an explanation. A narrow cleft in a deep-buried mountain range, that extends from Texas to Nebraska, we read, caused the mild earthquake. It's merely Nature "smoothing out her skirts," the story said.

Somehow, knowledge of the "why" of a tremor is more humbling to us than the tremor itself. The rocking of furniture, the shattering of a windowpane, even the swaying of a brick building we can understand. These are man-made things and may be expected to move about a bit when Nature gets on a rampage. But the awareness of an older world, that lies buried beneath the land we know, is awesome indeed.

Equally humbling is the realization that there are people in the world who know about all this. While we flutter with indecision over such engrossing subjects as what to wear, whether to have meat loaf or a one-dish casserole for supper, there are men and women with sufficient patience and vision to probe the secrets of the universe and come up with clear-cut answers.

In our more majestic moments as the superior beings on earth, we think how fortunate we are to be people. In our humbler ones, we can compare ourselves to the gnat or the fly. While neither picture is the true one, perhaps we do need shaking up once in a while — by an earthquake or a thought — to give us perspective on ourselves.

Maneuvers are being revived to lay the groundwork for eventual transfer of the strategic island of Formosa to the Chinese Communists. Attacks on Chiang Kai-shek, the one leader who shows willingness to cause trouble for the Chinese Communists, sometimes are related to this long-range objective.

SOCIAL SECURITY

I have received a number of letters lately concerning the Social Security program. Many people who are now reaching the age to receive benefits from this program find that there is an income limitation that prevents them from making money over and above their social security payments.

Until September 1950 the income limitation was \$15.00 per month. That is, if you earned more than \$15.00 per month, you lost your social security payments. The people who were hit hardest by this limitation were widows with children to raise. I had several experiences with this situation, representing some of these widows and contesting this provision at all times.

In September 1950, prior to my coming to Congress, this income limitation was raised to \$600.00 per year. Many people think that it is \$50.00 per month, but such is not the case. The method of computation used in the law is most involved and it would take about two pages to explain. But it means that you can earn approximately \$600.00 per year in addition to your social security.

Many people are deeply concerned about this income limitation, and rightfully so. These social security benefits were paid for at least partially by the money of the one to receive the benefits, and it is not right to penalize a man by limiting him to a starvation income just because he has reached the age when he is entitled to receive the benefits that he has paid for.

There are several bills proposing to raise this limitation to \$100.00 per month. It seems to me that it should be completely abolished. People who receive retirement benefits from other sources, both civil and military, are not subjected to these income limitations, and there is no reason for those receiving social security to be so penalized.

LABOR AND CHILD LABOR
Most of the farmers are fully aware of the trouble that was caused by an amendment to the Fair Labor Standards Act concerning children working in the field during harvest time.

As most of you know, I introduced a bill to correct this situation shortly after taking the oath of office. Nine other bills have since been introduced for the same purpose. The amendment to which I refer actually centralized in Washington the power that should rest with each state concerning the child labor problem.

The amendment was an innocent looking apparatus and many people have been misled by some of the propaganda that has been put out by the Labor Department.

I have discussed this situation with the officials of the Department of Labor, from the Secretary down through the ranks. All of them are steadfast in their refusal to relinquish the power that they gained by the trick language in the amendment. They are now proposing to go further and require every farmer to keep records concerning all minors employed during each year by the farmers.

This regulation is for one purpose and that is to make it as easy as possible for the Department of Labor to exercise the powers that it gained under the trick language amendment. No one seems to understand that the farmers and business men can't spend all of their time filling out involved government forms and have any time left to make a living for their own families.

Most of these forms are prepared by people who are wholly without actual experience in the agricultural and business fields being regulated. What we need to do is to abolish about 90 per cent of the government forms now required.

This would serve three purposes. First, it would permit the farmer and the private business man to devote his time to his own pursuits. Second, it would do away with the need for warehouse space in which to store these forms before and after they are filled out. Third, it would do away with the need for a great number of federal employees who spend all of their time sending these forms out and then reading them after they come back in. I shall certainly continue my efforts to stop such useless procedure.

Philip Murray pressed the White House hard to force Commerce Secretary Charles Sawyer, as operator of seized steel mills, to order into effect the wage raises and the "union shop" that the Wage Stabilization Board recommended. Mr. Murray hints that union leaders will remember in November what Democrats did in April and May to give them the raises they want.

Senator Richard Russell, of Georgia, is showing no interest in suggestions that he accept second place on the 1952 Democratic ticket as a symbol of North-South unity in the party. Senator Russell indicates that his interest is confined to first place on the ticket.

Our erected witt maketh us know what perfection is, and yet our infected will keepeth us from reaching unto it. — Philip Sidney.

No. 753
In the Matter of Guardianship of Robert Jones Cowan and John Jones Cowan, Minors
In the County Court of Randall County, Texas

Notice of application to make an oil, gas and mineral lease with pooling or unitization provisions

To all persons interested in the above minors or their estates:

You are notified that I have on the 19th day of April, 1952, filed with the County Clerk of Randall County, Texas, an application under oath for authority to make an oil, gas and mineral lease with a pooling or unitization clause on that certain real estate belonging to said minors described as follows:

An undivided one-half interest in the oil, gas and other minerals in and under the South Forty (40) acres of the Griffin and Jones lands, Gregg County, Tex., situated in the Hamilton McNutt H. R. Survey, bounded on the North by other lands of Griffin and Jones; on the East by the lands of Lena May Yates, on the South by the lands of L. L. Dean and the R. G. Brown Estate; and on the West by the lands of the R. G. Brown Estate, which are more particularly and completely described in the said application.

that The Honorable Burney Slack, Judge of the County Court of Randall County, Texas, on the 19th day of April, 1952, duly entered his order designating the 5th day of May, 1952, at 2:00 o'clock, P. M., in the County Court Room in the Court House of such county as the time and place when and where such application would be heard, and that such application will be heard at such time and place.

Washington whitewash

Umbarger News

Mr. and Mrs. Albert Fischbacker celebrated their 25th wedding anniversary Saturday, April 19. Their children feted them with open house Sunday afternoon at 3:00 followed by a dance in the evening. Approximately 200 guests attended. Many gifts were received by the honored couple.

Mr. and Mrs. Vincent Friemel were dinner guests in the home of Mr. and Mrs. Sylvester Batenhorst.

Mr. and Mrs. Charles Beckman and Mary Phyllis visited Sunday in the home of Henry Beckman of Tulsa.

Mr. and Mrs. Joe Wieck and family were dinner guests in the home of Mr. and Mrs. John Bedenk. Peggy Albracht spent Sunday with Marie Koch.

Mr. and Mrs. Fritz Friemel left Sunday morning for a combined business and pleasure trip to Fort

Worth. They plan to return Tuesday evening.

Mr. and Mrs. Roscoe Richardson and family visited Sunday evening in the home of Mr. and Mrs. Math Albracht.

John Maragon, who once had White House entree and who went to jail for perjured testimony in an investigation of his "influence," is pictured by friends as in a mood to talk, if given a chance. Maragon thought he had assurance that he would be paroled early in 1952, but is pictured as convinced that he is being passed over so that he will stay behind the bars at least until after the elections.

Pansies, Delphinium, Columbine, Verbena and many other plants should go out. Stevens Floral.

Maximum brain weight of a man is attained at about the age of 20.

ANNOUNCEMENT

We wish to announce the appointment of our company as Authorized Dealers for the Ferguson Line of Tractors and Equipment. We have now at our place of business the Ferguson 30 Tractor, Cultivator, Terracer, Scoop, Side Delivery Rake, Disc Plow and other equipment for this tractor.

We cordially invite farmers and others interested to visit our show room and inspect this display of machinery.

***SHE'S THE SAFEST
LADY ON THE ROAD***

With Chrysler **POWER STEERING** plus Chrysler **POWER BRAKES**

At the wheel of a new Chrysler, you have quicker, surer control of motion than you've ever had in a car. You can't imagine what it's like till you drive it! With this full-time power steering, hydraulic power does 4/5 the steering work at your gentle pull on the wheel! You also turn the wheel 1/3 less distance. And on rough roads, soft shoulders, snow or sand, "wheel fight" just doesn't happen. Your hand actually has five times the usual steering control, through every minute of every mile... with the same sure "wheel feel" at all times!

With this safer way to steer, power brakes make stops at all speeds safer and easier, too. Power from the engine "boosts" every touch of your toe. Actually you stop with up to 2/3 less foot pressure than non-power brakes. You can bring your Chrysler to a halt from full speeds in many feet less distance than other cars of comparable size can stop. See your Chrysler dealer soon. Feel for yourself why thousands of owners say Chrysler offers the two greatest advances in many years in driving safety and driving ease!

CHRYSLER the finest car America has yet produced

12 Cagers Report For Spring Drills

Spring basketball drills for the 1952-53 Buffs opened Tuesday afternoon in the new fieldhouse. Twelve cagers reported to Coach Gus Miller.

Miller will have a young squad on the court next year with only two seniors on the team.

Basketballers reporting for the initial session and their '52 classification were Troy Burrus, 6'6", Canyon junior; Bob Finley, 6'1", Floydada junior; James Scott, 6'3", Borger soph; Dennis Walling, 6'3", Munday, senior; Harold Robinson, 6'2", Bowie senior; Cal Foster, 6'4", Sudan junior; Juandell Glass, 6'4", Denver City junior; Bob Summerwell, 6'6", Andrews soph; Don Pinnell, 6', Adrian soph; Ted Hale, 5'10", Goodwell, Okla.; John McClure, 6'2", San Angelo soph; Bill Clifton, 6'4", Childress soph.

Work Progresses On HMS Pinafore to Be Given May 13-14

The departments of music, art and speech have combined to present H. M. S. Pinafore at West Texas State on May 13-14. Holmes Ambrose is directing the production, assisted by William Moore and W. O. Latson.

The production is called one of the finest operettas, which ran for 563 successive performances in its early days.

The names of Gilbert and Sullivan have been linked with many of the operettas of their day, and this production has been repeated on practically all stages of the nation. It is a satire on conditions prevailing at their time. Sullivan was knighted by Queen Victoria, who scorned Gilbert. However, Gilbert was acceptable to Edward VII who honored him.

"Onward, Christian Soldiers" and "The Lost Chord" are among the best known religious productions of the two, both produced before Pinafore.

Tickets for the Pinafore will be on sale at The Pharmacy, the Canyon Drug and Buffalo Drug.

STINKS!

A drunk lying on the floor of a bar began to show signs of life, so one of the customers smeared a little limburger cheese on his upper lip. The drunk arose slowly and walked out of the door. In a few minutes he came back in. Then he went out again only to return in a few more minutes.

Shaking his head with disgust, he said: "It's no use, the whole world stinks."

THE QUESTION

The father decided to have a serious talk with young Jimmy, who was inclined to be light-hearted and irresponsible.

"Jimmy," he said, "you're getting to be a big boy and you ought to take things more seriously. Just think — if I died suddenly where would you be?"

"Here," said Jimmy. "The question is, where would you be?"

BREAD ON THE WATERS

A London lady left a parcel on a bus seat. A gentleman hurried to give it back to her.

"Oh, that's all right," she said. "Just leave it on the seat. It's my husband's lunch. He works in the bus line lost-and-found department and I leave it for him like this every day."

BITTER MEMORY

In a discussion on women's styles on a radio quiz show, an elderly man was one of the contestants. He was asked: "I suppose you are old enough to remember wasp waists?"

"Remember 'em," he exclaimed bitterly. "That's when I got stung!"

ADVISED!

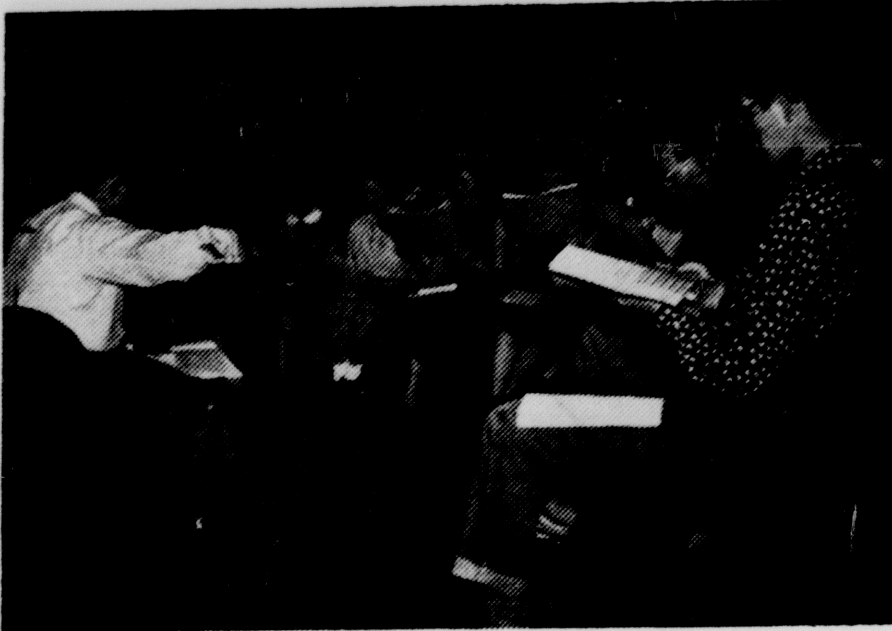

Boss—Who told you you could neglect your office duties just because I give you a little kiss now and then?

Secretary—My attorney.

THE CURE

"Doctor," said the pretty nurse, "every time I take the patient's pulse it gets faster. What shall I do?"

"Blindfold him!"

Holmes Ambrose, assistant professor of music, is pictured above directing one of the first rehearsals of "H. M. S. Pinafore" to be presented on the campus May 13 and 14. This is the first time the music department has attempted such a production and with rehearsals in full swing, public reaction is favorable.

NOW YOU KNOW

Four days after the end of their honeymoon a couple received in the mailbox at their love-nest a pair of tickets to a hit show on Broadway. With the tickets was a note which read:

"Guess who sent these."

On the appointed evening they went to the theater, returning very late. To their astonishment, everything of any value in the house had been removed.

On the living-room table they found a note:

"Now you know."

VOTING PRIVILEGES

In a special message to Congress, after his return from Key West, Fla., President Truman asked for emergency legislation to insure to more than 2,500,000 men and women in the armed forces their voting privileges this fall.

Spring Fever

Spring is the time of year when one's thoughts begin turning to other activities outside of studying. The days are long and warm, and the tendency to day dream about that soothing relaxation you receive while swimming leisurely with the sun in a beautiful blue sky beaming down upon you captivates your thinking ability in almost every class.

But maybe, your vision is about that utterly dreamy date you had last night, or about the exciting time you are planning for that party, Friday night? Anyway, it is likely that right in the midst of all this dreamstuff, someone suddenly asks you, "What were the party issues in the presidential election of 1896?" Your reaction, "Huh!" Oh, I do not believe I know exactly," does not record an A in the books for you.

Just because it happens to be about the loveliest time of year does not excuse you from the study and work required to pass any course. You have got to stay right in there and punch for that good grade.

It would be a good thing for you to remember too, that laxity on your part can easily bring down any good average you might have expected. As this school year comes to a close make sure that your academic rating is what you want it to be by continuing to keep up the good work.

Attitudes

Now that our last holiday is over for this year and our semi-final exams have been taken, it is for us, the juniors, sophomores, and freshmen, to continue to work hard and to settle down to the last lap in our 1952 school year.

There are a number in our midst who will not be with us again. As they leave the beloved school, they have turned another page in their young lives. That is, the "high school days" page. They have obtained as much knowledge from the books and instructors as possible and are preparing themselves for their career.

But, there is a greater force who must remain to finish their page. This group must pick up exactly where the graduating class left off. To do a better job is not the purpose of each succeeding class, but to do as good a job as the preceding class is the proper attitude to take.

The purpose of the high school is not to impregnate a feeling of rivalry with other classes, but to saturate the mind of every boy and girl with a solid responsibility of loyalty, friendship, and love for each fellow classmate.

It is up to the juniors, sophomores, and freshmen to carry out the ideals and traditions of our school. It is up to us to carry on with the democracy we enjoy today in our school.

Present ambition: To pass short-hand
Biggest thrill: A wrestling match

ALL SCHOOL PICNIC—MAY 9
Plans for the all school picnic to be held May 9 were made in a recent Student-Faculty Congress meeting. It was voted to adopt a school seal. Miss Neelley, the art classes, and a SFC committee will decide on the seal. Miss Neelley will also work with a group to help select pictures for the cafeteria.

STAFF MEMBERS

Editor—Sarah Jane Colwell

Several high students acquired pets over the holidays. Many of them were bright colored. Many had two legs; many had four. Either rabbits or chickens drifted into new homes.

He: Do you think late hours are bad for one?
She: No, but they're all right for two.

I think that I shall never see
A D as lovely as a B
A B whose rounded form is pressed
Upon the records of the blessed
A D comes easily, and yet
It isn't easy to forget;
D's are made by fools like me,
But only God can make a B.

Dear Sir:
No football?
No cuts?
This school's
Got no guts!
Delusioned

A quiet triumph floods my weary soul;
I'm drifting lazily into a coma.
My son and I at last have reached my goal—
He's clutching a diploma!

Definition: Dribbling idiot: A bribed basketball player.

Artists Anonymous Enjoy Initial Picnic

Much enthusiasm was displayed among the Artists Anonymous members who attended the initial club picnic Wednesday, April 16.

Students met at the home of Dorothy Neblett and at 4 o'clock were transported to the Neblett cabin at the Palo Duro Club by Mrs. R. A. Neblett, Miss Claudia Neelley, art instructor, and Miss Bettie Jean Graham.

Boat riding, sketching, and hiking were the activities in which the students participated while there.

Sack lunches were brought by each student and additional refreshments were served by Miss Neelley and Mrs. Neblett.

Those attending the picnic were Sue Keeling, Florence Coffee, Lou Yarbrough, Dorothy Neblett, Bettie Jean Graham, Barbara Bagley, Sue Ann Kinney, Ralph Green, Ray Green, Bob Vandergriff, Miss Neelley, and Mrs. Neblett.

Dating Data

Some boys are just naturally the "go steady" kind; some are not. Some like starchy-eyed gals, and some like just-pal types, and some like a different girl every Friday night. There is no strict pattern that can be applied to all boys, and when something happens to turn a dreamy-date affair, something just this side of perfection, into a hopeless heartache that nothing but a phone call can cure, you wonder what happened.

The answer isn't easy, and it is just a little different for every story told. So it is better just to stay friendly with each boy you date. Try your luck at understanding him too, and remember that every time you play this boy-like-girl game, there is a different set of rules.

Driver's Training Stresses Safety

To develop correct driving habits is the primary purpose of the course in driver's training. Getting a driver's license is secondary. This is the third year that driver's training has been offered in CHS. Thirty-two students took the course last year, and 29 received their driver's licenses. This year there are 30 students in the class and all 30 have received licenses. None of these students has been involved in an accident, and only a few have received tickets. This is a small per cent compared to the number of tickets received by those who have not taken driver's training.

The class, taught by Ray Schultz and Lyndon Sanders, spends 90 hours in classroom work and approximately 16 hours behind the wheel. Mr. Sanders handles the classroom work which consists of the teaching of safety.

Behind the wheel training, taught by Mr. Schultz, consists of all phases of driving from starting the car to parallel parking. The driver's training car is provided for the school by Stevenson Pontiac Company of Canyon.

Improved credit conditions are found in first quarter.

Foreign Language Students Attend District Spanish Fiesta in Amarillo

CAROL ROSE

* * * *

Rose Wins First PHSPA Editorial

"Faith" and "Freedom of the Press," editorials by Carol Rose, won first place in the editorial contest over stiff competition at the annual Panhandle High School Press Association Conference.

Carol was awarded for her achievement of first place a small trophy engraved with the letters "PHSPA" and "EDITORIAL," and a certificate signifying her winning accomplishments.

Representing Canyon High in the Regional Press Conference in Lubbock will be Carol and Ralph Green. They will be required to write editorials, feature stories, news stories, and do copyreading.

Among the recent honors held by Carol are: three year member of FHA, member of band '50, vocal ensemble, and National Honor Society. She is at present feature editor of The Eagle's Tale and reporter for the FHA.

Carol commented that she was "very surprised and felt deeply honored to receive the award." Singing, playing the piano, and having fun are Carol's pastimes, and her future plans are to enter the field of stenography.

Grade Teachers Instruct Art Classes

The elementary display in the recent Art Fair was unique. Individual classroom teachers throughout the grades plan and teach their own art. Every elementary teacher, however, has a scheduled free period in which she may confer with Miss Claudia Neelley on any art problems.

Individual instructors throughout the grades prepared the art exhibit for her grade. The examples displayed showed the enthusiasm and imagination inspired in handicrafts created by the small fellows.

Art is taught in the Canyon Public Schools on a 12 grade system. In the first grade through the sixth, art is taught by a regular classroom or practice teacher. Grades seven through high school are taught by Miss Neelley.

Calendar of Events

Friday, May 2
John Regan, Australian Cowboy, Southern School Assembly, 1:15.
Monday, May 5
Music Week begins
Tuesday, May 6
Classroom Teachers meeting, 7 o'clock in cafeteria
Senior class reception, 7:30, at First Baptist Church.
Thursday, May 8
FHA meeting, 7:30
Friday, May 9
School Picnic

Homemaking Girls Dine in Amarillo

Fifteen two-year homemaking girls ate supper at the Cavalier Restaurant in Amarillo last week. The Cavalier was formerly the Marine Grill.

After studying a unit on foods, the girls and their sponsor, Mrs. Nadine Lyles, Mrs. Walter Graham and Mrs. Leonard Winters journeyed to Amarillo for the chicken dinner. The girls planned to dress in their Easter clothes for the trip.

Students who participated in the occasion were: Mary Alice Bauer, Nancy Bolton, Billie Ray Carter, Edwina Caskey, Mary Dodson, Lila May Hunter, Arlene Johnson, Jane Rose, Dorothy Neblett, Shirley Peppard, Wilda Faye Pitt, Norma Thurmon, and Barbara Winters.

Elvira Boyd, CHS Spanish Queen, will represent Canyon in the Queen's Court at the district Fiesta. The Fiesta will be held April 26th at the Amarillo High School. Charles Boling will be the queen's escort.

Anna Lou Samuelson and Richard Sanders, Spanish II students and Clydeen Mitchell and Barry Clark, Spanish I members, will represent CHS in the oral reading contest. They will be given a story to read. Following their reading strong and weak points in pronunciation, inflection, and phrasing will be pointed out to them. There will be no winners or losers; simply pointers from a recognized authority.

Medals will be awarded to the best boy and the best girl in the instrumental division; to the best boy and the best girl in the choral division; to the best boys and the best girls group in the choral division; and to the best instrumental group.

There will be a Spanish market. Each school represented will have a booth. A Spanish meal will be served in the high school cafeteria.

A color movie, "Mexico, the City of Enchantment," will be shown. The points of interest of the city and scenes from a bullfight will be shown in the film. Classes have already studied the script of the film.

Students are learning Spanish songs so they can participate in the group singing.

Delegates Attend State Meeting

Joyce Payne, president of Canyon FHA, Bettie Jean Graham, senior, and Louise Hunter, sophomore, have been selected to represent Canyon at the State FHA meeting in Dallas, April 24-26.

Bettie Jean will receive her State Homemakers Degree at the state meeting. She is the first person from Canyon High to receive the State Degree. As the president is always entitled to attend the meeting, Joyce Payne will accept this honor. Louise Hunter received the most points for her work in the organization during the year thereby giving her the opportunity to attend the meeting at Dallas.

Mrs. Nadine Lyles, sponsor, and Mrs. Travis Payne will accompany the girls to Dallas. They will stay at the Baker Hotel in Dallas.

Staff Receives Honor Sweaters

On the hottest days they wear them! On the coldest days they wear them! What are they? Why it is just the latest fashion for The Eagle's Tale staff.

If you haven't noticed yet, just casually wander into the halls of CHS and within five minutes you will see one of the staff members sporting around a new white sweater with a white chenille C on purple felt and a purple quill with a bottle of ink set on the base of the C which represents the staff emblem. By the way, the letter was planned and designed by the Journalism class.

Because of the fact that a few of the members of the class had previously received an honor sweater, only five of the staff were able to acquire the sweaters but the remaining three received letters.

Those receiving sweaters were Elaine Cundiff, Lou Yarbrough, Shirley Erwin, Carol Rose, and Ellen Jo Jennings. Sarah Colwell, Lucille Simon, and Ralph Green received letters.

Program Presented For District Meet

A thirty minute program was presented for the district Parent-Teacher Association meeting held Tuesday and Wednesday in the First Baptist Church by the Canyon High School Choir. The choir was under the direction of Miss Ada V. Clark, and the ensemble groups from the band were under the direction of Herman Demus.

There were a boys group, girls chorus, and a mixed chorus. The numbers which were presented by boys group were "Heaven Bound Soldier" and a barber shop medley.

The girls chorus sang "O Come, Emanuel," "Song of the Angels," and "I Have Lots of Gold." Mixed chorus selections were "Mister Banjo," "God So Loved the World," and "Madame Jeanette."

Band numbers were "Scherzino Pinsuti" by the woodwind quintet, and "Aurora Meretta" and "Rubato Caprice" by the cornet trio.

ELVIRA BOYD

* * * *

Boyd Represents Canyon in Fiesta

Elvira Boyd, Spanish Queen of Canyon High School, will represent Canyon in the annual Spanish Fiesta held April 26 in Amarillo. Elvira was born October 9, 1935, in Hereford. She started her first two years of school at Pierce Community near Umbarger, then came to Canyon and is now a junior.

She is a member of the Spanish Club, Science Club, and National Honor Society. She was a member of FHA and band. During her freshman year she was the Student-Faculty Congress representative. This is her first year in Spanish.

Reading, playing the piano, and working are Elvira's hobbies. She plans to attend West Texas State College after finishing high school and will major in speech or chemistry.

She stated that she was "really surprised" when she was elected Spanish Queen.

BETTER MAKE SURE

The surly old miser fell ill, and in a panic sent for the local clergyman, although he had never done anything to help the parish.

"If I leave \$50,000 to the church," he croaked, "will my salvation be assured?"

"I wouldn't be certain," replied the clergyman, "but it's well worth trying!"

GOOD ADVICE

Daughter—Mom, what kind of a husband would you advise me to get?

Mother—You just get a single man and leave the husbands alone.

The "2nd" after a man's name means he is the nephew or cousin of a man of the same name.

Climbing roses - the pat. Blaze and White American Beauty. Stevens Floral. 114

Canyon Is Fifth at Regional; Burrus, Hardaway Go To State

Canyon High School literary and track teams returned home from regional with comparatively small number of honors. Students in three events, track, journalism, and shorthand, placed first and third.

Ellen Jo Jennings, entry in shorthand competition, placed third in this event. Despite the fact of stiff competition, Carol Rose, member of The Eagle's Tale staff and entry in the journalism field, won first place in copyreading contest. In journalism there were five fields.

Laura Smith, first place winner in district typing, won tenth place in regional competition.

Ray Burrus and Bob Hardaway, members of Coach Lloyd Johnson's track team, placed first in the discus and pole vault.

A distance of 142 feet in the discus event on Ray first place. Bob Hardaway jumped 10 ft. 4 in. through the air to win first in the pole vault. Bob Ratliff threw the discus 108 feet. He placed third in this event.

Canyon tied for fifth place in regional. The Phillips Black-hawks placed first with 30 points.

Denver City and Andrews placed second and third with 19½ and 18½ points, respectively. Wellington won fourth place.

Wink and the Eagles tied for fifth place.

All first and second place winners will go to the state meeting. Ray and Bob will represent Canyon High at Austin on May 1, 2, and 3.

Ali Sastroamidjojo, Indonesian Ambassador to Washington, explaining his country's neutrality: "We're not allying ourselves with either bloc."

Students Attend Lubbock Exhibition

Approximately 20 science students of CHS attended the Lubbock Engineering Show last Saturday at Texas Tech College.

Exhibitions were shown in the chemical, civil, electrical, industrial, mechanical, petroleum, textile, architecture, and commercial art fields. Divisions of these phases of science were explained and presented by this year's college graduates.

A magic show, where liquid air fried an egg, ran a steam engine, froze rubber and mercury, and where the mixing of two liquids obtained a solid which would burn, was shown in experiments to those attending the show.

In one place, after pressing one's face to a machine, a picture of his facial appearance 100 years from the present would appear. Designs of houses and other buildings, cars, portraits, and other pictures were also exhibited. These were only a very few of the many exhibitions presented in the Lubbock Technological Show of 1952.

The history of the Jews as a nation ended with the destruction of Jerusalem in 70 A. D.
